Message from the Chairman and Managing Director

Dear Members,

On behalf of the Board of Cybermate Infotek Limited, I thank each of our stakeholders for having reposed confidence in the Management of the Company during the year 2017-18. This year has been a challenging year in the history of your Company, as we had to face several challenges, which we have, with your co-operation addressed most of them successfully and we have also been able to make sufficient progress in our goal to mobilize funds for the future growth of the Company.

During the year under review, the Company was able to ease out the liquidity issue by way of raising additional funds through a preferential allotment of Share Warrants to Promoters/Promoter Group and Investors.

Further, during the current year, namely, 2018-19 we have been able to raise the funds through an FCCB to fund the expansion and growth plans of the Company. We are making several efforts to deploy the funds in the most reasonable manner subject to the conditions prescribed by the Statutory Authorities like Reserve Bank of India.

We have incorporated a Joint Venture in Europe to explore the business opportunities available in Europe and Africa and we shall keep you informed about the progress on these efforts from time to time.

We shall also continue to work vigorously on our Moto "Rebuild, Reform & Reinvent" to meet the new business challenges in the evolving Digital World Economy.

I also assure all the stakeholders that your Company has always been emphasizing on meeting its statutory obligations and fulfilling all the procedures, which are mandatorily prescribed as per the statute.

We look forward to the stakeholders to extend and continue their support to reach greater success.

With warm regards & best wishes,

P.C. Pantulu
Chairman and Managing Director

ITEM NO. 7**Further Issue of Capital**

Section 23 of the Companies Act, 2013 provides for various means to any increase in capital by issue of further shares by any Company. Accordingly, for issuance of further shares that may be offered to any person, prior permission of shareholders is required to be obtained by way of passing of a special resolution. The Company has been pursuing organic and inorganic opportunities for its growth. This would require sufficient resources including funds to be available and to be allocated, from time to time. This Special Resolution proposed is an enabling resolution to facilitate and meet the fund requirements of its organic and/or inorganic growth, the capital expenditure needs of the ongoing or new projects and/or offices of the Company, enhancing the IT & ITES facilities, working capital requirements, refinancing borrowings if any, focus on research & development activities, improved energy conservation techniques, to meet any exigencies including pursuing new opportunities, issue expenses etc.

The resolutions contained in the attached Notice pertain to a proposal by the Company to create, offer, issue and allot equity shares or other securities as stated therein or a combination of such securities in one or more tranches (referred to as "Securities"). The intention is to raise additional capital to meet the funding requirements and business objectives of the Company. For this purpose, the Company seeks your approval as per the resolution stated in the Notice. The members may please note that the appended resolution is only an enabling resolution and the detailed terms and conditions for the offer will be determined in consultation with lead managers, advisors, underwriters and such other authorities and agencies as may be required to be consulted by the Company in due consideration of prevailing market conditions and other relevant factors. As the price of the Securities shall be determined at a later stage, exact number of securities to be issued shall also be crystallized later. However, an enabling resolution is being proposed to give adequate flexibility and discretion to the Board to finalize the terms of the Issue. Furthermore, as per the provisions of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (SEBI (ICDR) Regulations, 2009) and various regulations under Foreign Exchange Management Act, 1999 (FEMA), approval of shareholders by way of special resolution is required to be obtained for issuance of further shares by way of Qualified Institutions Placement (QIP), Global Depository Receipts (GDRs), American Depository Receipts (ADRs), Foreign Currency Convertible Bonds (FCCBs), Debentures or any other securities convertible into equity shares by any listed Company. As per Regulation 88 of Chapter VIII of the SEBI (ICDR) Regulations, 2009, allotment pursuant to the special resolution approving the QIP issue passed by the shareholders shall be completed within a period of twelve months from the date of passing of the resolution. The Company seeks to position itself into the emerging Digital IT space and also expand its services band into setting up of Data Centres and IT Infrastructure., and to enable the Company to raise equity funds depending upon its business needs and as may be advised, approval of shareholders is being sought for issue of equity shares and/or any other financial instruments convertible into equity shares through Qualified Institutional Placement (QIP) under SEBI (ICDR) Regulations, 2009 and/or through issuance of securities in the international markets by way of GDRs/ ADRs/ FCCBs etc. in one or more tranches, up to an amount not exceeding `USD 20 Million (US Dollar Twenty Million Only). As per the provisions of regulation 85 of Chapter VIII of the SEBI (ICDR) Regulations, 2009, issue of specified securities shall be made at a price not less than the average of the weekly high and low of the closing

prices of the related shares quoted on a stock exchange during the two weeks preceding the relevant date. The said Regulations also provide that the issuer may offer a discount of not more than 5% on the price so calculated for the qualified institutions placement, subject to approval of shareholders as specified in clause (a) of Regulation 82 of the SEBI ICDR Regulations. The relevant date for the purpose of regulation 85 means the date of meeting in which the Board or any Committee of Directors duly authorized by the Board of the Company decides to open the proposed issue. Further, pursuant to the provisions of Chapter VIII of the SEBI (ICDR) Regulations, 2009, the aggregate of the proposed Qualified Institutional Placements and all previous Qualified Institutions Placements made by the Company in the same financial year shall not exceed 5 (five) times the net worth of the Company as per the audited Balance Sheet of the previous financial year. The Equity Shares allotted or arising out of conversion of any Securities would be listed. The issue/allotment/ conversion would be subject to the availability of regulatory approvals, if any. The conversion of Securities held by foreign investors into Equity Shares would be subject to the applicable foreign investment cap. Therefore, the Board of your Company has recommended the Resolution contained in Item No. 1 to be passed by the shareholders, so as to enable it to issue further equity shares and/or other securities which will include issue on QIP basis.

The Board of Directors recommend passing of the Special Resolution set out in Item No. 7 of the Notice.

None of the Directors are interested in this Resolution.

2. Review of Business Operations and Future Prospects.

Your Directors wish to present the details of Business operations pursued by the Company during the year under review:

a. Services and emerging offerings

The Company is in the process of packaging its cloud based offerings for emerging solutions areas.

The Company is working with partners to set up the supply chain for rolling out the services of logistics platform

The Company is also tying up with channel partners

to rollout the personal health records platform Cyber1health.

The Company has also partnered with start-ups to roll out IOT offerings in multiple domains.

b. Marketing and Market environment.

Platforms: The market place has shifted from conventional methods to use of high-end tools and analytics to understand customer preferences and priorities. Technology has disrupted the selling methods and has paved way for social media, mobile and analytical tools to market goods and services to customers.

Products and services are bought and sold online after comparing with competitors. Social media is the largest platform to promote products and services.

Referrals, loyalty programs, feedbacks, reviews have been driving the sales engine for service providers.

We, at Cybermate have deployed teams to work on social media to engage with customers and prospects to provide services and support for enabling better customer experience and support.

Services: - The Company continues to improve upon its service offerings across domains in the following segments.

- IT Support
- Consulting
- Network and Surveillance

The Company provides services in custom built application development, system integration, testing, maintenance, network, surveillance, IT support and consulting.

Products are now converting to platforms. Platforms are being built across domains to provide services on the Cloud hence products which were sold as licences renewable year on year are being replaced by platform subscriptions. Keeping abreast with this

trend, as part of its “Rebuild. Reform. Reinvent” move, CIL commenced work on multiple platforms which facilitate e-commerce in new segments such as logistics, healthcare, and arts. Our solutions are ‘Software as Service’ for day to day issues that the common man faces.

Logistics Platform www.bharatcargo.in

Logistics being the integral part of an organization many new technologies are used in developed country while in India adoption process is very slow. But, at CIL with the aim of developing new technologies we are creating an advance ecosystem in the area of logistics management for retail and corporate customers. BharatCargo will provide the one stop convenient platform for optimised logistics management for customers in a fraction of a click.

Healthcare Platform: www.cyber1health.com

The electronic health record (EHR) revolutionized the way patient records are organized, stored, and accessed by physicians and their patients. The traditional paper method of record keeping was under-secured and difficult to access and use. With new technology, records are secure in a cloud-based system that is only accessible by authorized personnel.

So, at CIL we have ventured in Electronic Health Records domain through our Mobile Platform Cyber1Health.

CYBER1HEALTH is an Online Personal / Family Electronic Health Records Management service. It is a cloud Applications or apps which are cloud-based services also known as Software as a Service (SaaS), It provides you unique format for storing your records. It is a distributed personal health record in digital format available in Google Play Store and Apple App Store.

It facilitates the user to:

- Secure, real-time, patient-centric information to aid clinical decision-making by providing access to a patient's health information at the point of care.
- Patient health records including medical history, diagnostic test reports, images and prescriptions are stored in an electronic format which can be shared with doctors like for second opinion.
- User can also upload PDF files or images into your account and can access personal electronic health records from anywhere in the world from an internet connected computer or smart phone.
- It's a smart solution that can be used to upload and maintain personal electronic health records online. Integration with Wearable devices.

Healthcare Platform: www.healsoft.in

Hospital management requires a lot of decision making which is highly difficult if there is no strong management system in place. Since you need precise and accurate implementation at every stage, the automation system in the hospital has to be self-sufficient. Today, it is not possible to imagine a super-specialty hospital without it. A reliable, cost-effective, and efficient system becomes the backbone of the success of a medical center.

CIL has developed HEALSOFT a customized comprehensive hospital management system also hosted in cloud which takes care of end to end requirement of all types of hospitals whether big or small. HEALSOFT enables hospitals to manage the immeasurable data constantly generated round the clock through IPD and OPD, pharmacy, laboratory, wards, online appointments scheduling, billing, accounting, HR/Payroll and many other aspects of Hospital functioning.

HEALSOFT gives following advantages to Hospitals:

- Automate hospital Management
- Hospital Information just a click away
- Improve Clinical Decisions
- Improved medical staff efficiency
- Avoiding errors and tracking every details
- Reduced Patient Waiting Times
- Data Security
- Stock Management in Pharmacies
- Better Financial and Operations Management
- Reduced Costs
- No Revenue Leakage

www.indycrafts.in: marketplace for arts and crafts

CIL has built a platform to provide a market place to reconnect people with the rich heritage of Indian handicrafts and handlooms which are unique in their tradition and make.

Indycrafts is not a run of the mill e-commerce platform. It is expected that with Indycrafts, the unique skills passed down several generations of artisans will be available to the connoisseur and the novice. With the boost in sales, it is expected that artisans will be benefitted in manifold ways such as capacity enhancement, skill development, marketing of their products and employment opportunities to name a few. Such a platform will boost the morale of small entrepreneurs and the natural corollary to such developments would be innovation in product design.

In order to differentiate our service and solution offerings, our strategy will be to bring in concepts of automation, analytics, improving productivity to gain higher accuracy and to reduce the total costs to clients. We continue to leverage the advantage of open source technologies in providing innovative and cost-effective performance solutions.

Products: The Company continues to enhance its products in health care domain and is targeting to get identified as a key player.

Heal soft (HMS): A complete Enterprise Hospital Management Software Suite (18 modules) for Clinics, Small, Medium and Large Hospitals at multi locations in multiple technologies which can be integrated to an ERP.

Our Other Platforms include

- Asset Management
- Purchases and Contract
- Document Management System
- Payroll Management
- HRMS
- Content Management System
- Corporate Information System

Infrastructure: The Company proposes to set up infrastructure for a securities operation centre, data centre to provide cost effective infrastructure solutions for storage, business continuity, disaster recovery for its own and third-party applications and data.

Strategic Alliances: We propose to market our platforms through partners/stake holders in healthcare domain. We propose to align with start-ups either as partners or as subsidiaries in creating, deploying, integrating and operating business solutions. We propose to deploy our resources in making selective business acquisitions that augment our expertise, complement our presence in certain market segments and accelerate the execution of our strategies.

c. Future Prospects including constraints affecting due to Government policies

The future of IT Services business is providing several open source software components, and or proprietary software products, all of which can be deployed on public or private cloud or at the customer's premise. These platforms are intended to address the key challenges that businesses have in effectively storing, managing and analyzing the increasing amounts of data available to them.

CIL's objective is to enable customers to find an improved way to package, develop, administer and monitor their enterprise data.

3. Dividend

No Dividend is being proposed for the current financial year, to conserve resources.

4. Subsidiaries, Joint Ventures and Associate Companies.

During the year under review, the board has reviewed opportunities in IT and ITES activities outside India in emerging technology space. The board deliberated and decided to set up operations outside India either as a wholly owned subsidiary or a joint venture in one or more countries.

Thus the Company incorporated a wholly owned subsidiary viz Cybermate International Unipessoal LDA at Portugal to address opportunities in Europe and African regions in Health care IT, Government IT requirements and others. Further, to have a strong foot hold in the emerging Health care IT market of Africa, the subsidiary has entered into a joint venture with another overseas Company by the name of Healthcare Infotek Limited was setup in Togo, Africa.

Statement pursuant to Section 129 Subsection (3)(i) of the Companies Act 2013, read with Rule 5 of Companies Accounts Rules, 2014 relating to financial statements of subsidiary companies as formatted in AOC 1 form has been attached as Annexure-I to this report.

8. Formal Annual Evaluation of Performance of the Board and its Committees

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, mandates that the Board shall monitor and review the board evaluation framework.

The framework includes evaluation of directors on parameters such as

- Peer Evaluation
- Decision Making
- Analysis of Information
- Board Dynamics & Relationships
- Corporate Strategy
- Participation at Board Committees

The Companies Act 2013 states that a formal evaluation needs to be made by the board of its own performance and that of its committees and individual directors. Schedule IV to the Companies Act States that the performance evaluation of independent directors shall be done by the entire board of directors excluding the director being evaluated.

The evaluation process has been explained in Corporate Governance Report.

9. Board Committees

Detailed composition of the mandatory Board committees namely Audit Committee, Nomination and Remuneration Committee, Stakeholders Grievances' Committee, number of meetings held during the year under review and other related details are set out in the Corporate Governance Report which forms a part of this Report.

The constitution of the committees has undergone a change due the vacation of office by Dr.D.J.Reddy.

10. Deposits

The Company has neither accepted nor renewed any deposits during the year under review.

11. Particulars of Loans, Guarantees or Investments made under section 186 of the Companies Act, 2013.

There were no loans, guarantees or investments made by the Company under Section 186 of the Companies Act, 2013 during the year under review.

12. Disclosures under Sexual Harassment of Women at Workplace

In accordance with the provisions of the Sexual Harassment of Women at the workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company is required to have an Anti- sexual harassment policy though which an Internal Complaints Committee is constituted. The said committee meets at regular intervals to redress any complaints received by the committee in these lines and after due deliberation aims at disposing off the complaints. However, there has been no such complaint filed within the Company till date.

13. Significant and material orders passed by the regulators or court

Financial year 2017-18 had been a challenging yet successful year for your Company.

The Company encountered two legal issues during the year,

Suspected Shell Company:

As informed to the members in the previous annual report about the inclusion of Cybermate Infotek Limited in the list of 331 "suspected" shell companies, the management of your Company responded and submitted a requisition that it would co-operate with the regulators for making their investigations

The Company also filed an appeal before the Securities Appellate tribunal (SAT) wherein SEBI was directed to complete the investigation in four weeks' time and hence the Company withdrew its application.

The Company submitted the necessary information and attended the hearing on this matter.

Finally, SEBI in its order dated 21st September 2017 made the following observations

"In view of the substantiative documentation and the disclosures in the Annual Report and explanations provided by the Company during the hearing in respect of all the queries, I do not find any prima facie evidence of misrepresentation by the Company, misuse of books of account/funds of the Company or violation of LODR regulations"

And thus, SEBI in its order dated 21st September 2017 revoked the actions envisaged in SEBI's letter dated August 07, 2017 and consequential actions taken by the stock exchanges against the Company.

NCLT Order : During the year an individual and an overseas corporate had approached the National Company Law Tribunal, Hyderabad claiming amounts as financial creditors under section 7 of the Insolvency and Bankruptcy code 2016.

The Company had made submissions before the NCLT denying the allegations and dues to the petitioners. The NCLT, Hyderabad passed orders on the 26th March 2018 admitting the petition and appointed an Insolvency Resolution Professional thereby suspending the board of the Company.

The IRP took charge and made announcements in the news papers on the 01st May 2018 inviting claims of the creditors.

The IRP also issued a notice of meeting of Committee of Creditors to be held on the 21st May 2018.

Meanwhile Mr. P. Chandra Sekhar, one of the promoters of the Company filed an appeal before the National Company Law Appellate Tribunal, New Delhi (NCLAT) seeking a stay on the IBC proceedings.

The NCLAT was not inclined to grant a stay and posted the matter for hearing on the 21st May 2018.

Aggrieved by the order of the NCLAT not inclined to grant a stay, Mr. P. Chandra Sekhar, approached the Honourable Supreme Court of India seeking a stay on the IBC proceedings. The Hon'ble Supreme Court granted a stay on the 18th May 2018 on the order of the NCLT dated 26-03-2018.

Thus, the board of the Company was restored. The matter is pending adjudication before the Hon'ble Supreme Court of India.

Thus, the Company was under the control of the IRP for the period between 26th March 2018 and 18th May 2018.

14. Material changes and commitments, if any affecting the financial position of the Company occurred between the end of the financial year to which these financial statements relate and the date of the report.

(a) Search on premises by Director General of Goods and Services Tax Intelligence Unit

Chandra Sekhar and also the Office of the Statutory Auditors of the Company.

The Company had extended its co-operation during the search. The DGGSTI team concluded the search on the same day and have recovered documents as declared in the panchanama dated 13th June 2018.

The Company has submitted the necessary information and is awaiting orders from the DGGSTI on this matter.

(b) Allotment of Shares Consequent to Conversion of Share warrants of Promoters and Investors.

During the year, on the basis of the resolution approved by the shareholders at the extraordinary general meeting held on the 18th May 2018, allotted 81,00,000 equity share warrants to promoters and 33,00,000 equity share warrants to Investors at a price of Rs. 4.40 (including premium of Rs.2.40) per equity share warrant on part payment of 25 % of the amount payable.

Further on the 13th June 2017, the promoters have subscribed to the equity share warrants in full and hence equal number of equity shares were allotted to them.

Further the investors have made payments to the extent of 10,50,000 equity share warrants and the Company has allotted equal number of equity shares on the 20th June 2018 and is in the process of obtaining necessary approvals from the regulators to list these shares on the stock exchange.

28. Management Discussion and Analysis

Management Discussion and Analysis Report forms a part of the Annual Report under Annexure VII.

29. Explanation or comments on qualifications, reservations or adverse remarks or disclaimers made by the auditors and the practicing Company secretary in their reports

The Auditors Report contain a qualification on the transaction of the Company with Dewan Housing finance Limited. DHFL has issued a closing and no due certificate of the loan dated 30th March 2018. However, the Company has not passed entries in the books of account to square off the loan and the asset as the matter is pending adjudication before the Debts Recovery Tribunal, Hyderabad in SA No 285/2015.

We have been informed by our counsel that the Debts Recovery Tribunal has since disposed off our petition and was conveyed to the Company after declaration of audited financial results for the said period, the books of account do not reflect any adjustments in this regard.

Further the auditor's report has laid emphasis of matter on the IBC proceedings and the impact on the going concern assumption.

The management clarifies that the transaction does not pertain to the Company as the Company is not a party to either loan agreement or settlement deed presented by the said financial creditors before the NCLT. Hence on these merits the Company is confident of coming out successfully.

The board is of the opinion that based on the merits in the case the continuance of the operations of the Company would not be affected. Thus the going concern assumption is appropriate and that the financial statements are prepared by applying normal principles of recognition and measurement.

The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

Remuneration Policy

The Remuneration Policy of the Company is designed in a way that attracts talent, motivate in order to retain manpower and to improve productivity by creating a cohesive work force, encouraging initiatives, personal growth and team work, and inculcating a sense of belongingness and nurtures the willingness to involve in the providing the best of their abilities, besides offering appropriate remuneration packages and superannuation benefits. The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders.

The Nomination & Remuneration Committee (NRC) determines individual remuneration packages for Directors, KMPs and senior Officials of the Company taking into account, factors it deems relevant, including but not limited to market, business performance and practices in comparable Companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/other guidelines. NRC consults the Chairman of the Board as it deems appropriate. Remuneration of the Chairman is recommended by NRC to the Board of the Company.

Applicable: This Remuneration Policy applies to the whole of the Company including directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

Guiding principle: The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent personnel. While designing remuneration packages, industry practices and cost of living are also taken into consideration.

Statutory Requirements:

- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its directors, including managing director and whole time director, and its manager in respect of any financial year shall not exceed eleven percent of the net profits of the Company.
- Section 197(5) of the Companies Act, 2013 provides for remuneration by way of sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- The Company with the approval of the Shareholders and Central Government may

authorise the payment of remuneration exceeding eleven percent of the net profits of the Company, subject to the provisions of Schedule V of the Companies Act, 2013.

- The Company may with the approval of the shareholders authorise the payment of remuneration up to five percent of the net profits of the Company to its anyone Managing Director/Whole Time Director/Manager and ten percent in case of more than one such official.
- The Company may pay remuneration to its part-time directors, other than Managing Director and Whole Time Director up to one percent of the net profits of the Company, if there is a managing director or whole-time director or manager and three percent of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

Directors: As per the policy followed by the Company since inception, the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions. Presently, sitting fee is Rs. 2,500/- per Board meeting and per Committee meeting per Independent and Non-Executive Director on Board of the Company.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. At the time of considering the appointment and remuneration of Whole Time Directors, the members of the Nomination & Remuneration Committee (NRC) consider the pay and employment conditions in the industry, merit, seniority of the person and the payment capacity of the Company.

The NRC while designing the remuneration package, considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

The NRC while considering a remuneration package must ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC considers that a successful Remuneration Policy must ensure that some part of the remuneration package be linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the present applicable sections read with relevant rules of Companies Act, 2013 and as modified from time to time.

The Independent Directors shall not be entitled to any stock option and may receive sitting fees for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

Reward principles and objectives: The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

Reward policies: Remuneration packages for Whole Time Directors are designed subject to the limits laid down under the Companies Act, 2013, to remunerate them fairly and responsibly.

The Whole Time Directors' remuneration comprises of salary, perquisites and performance based commission/ reward apart from retirement benefits like P.F., Superannuation, Gratuity, etc. as per Rules of the Company.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long term.

The Whole Time Directors are entitled to customary non-monetary benefits such as Company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of appointment provide for severance payments as laid down under relevant sections of the Companies Act, 2013.

Key Managerial Personnel [KMP] Senior Management: Appointment of KMP & senior management and cessation of their service are subject to the approval of NRC and the Board of Directors. Remuneration of KMP and other senior management personnel is decided by the Managing Director (MD) on the recommendation of the Whole Time Director concerned, wherever applicable, broadly based on the Remuneration Policy in respect of Whole Time Directors. Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.

2. Perquisites – in the form of house rent allowance/ accommodation, furnishing allowance, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc. as governed by respective acts and rules prevailing in the Company from time to time.
4. Motivation /Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by the Managing Director based on the appraisal and recommendation of the concerned Whole Time Director, wherever applicable.
5. Severance payments - in accordance with terms of employment, and applicable statutory requirements, if any.

Other employees: The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary, they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, wherever applicable. Policies of motivation / reward / severance payments are applicable to this category of personnel as in the case of those in the management cadre.

Removal: The Committee may recommend, to the Board, removal of a Director, KMP or Senior Management Personnel due to following reasons:

- Any disqualification
- Misconduct
- Breach of Contract or trust
- Conflict in interest
- Such recommendation to the Board shall be with reasons recorded in writing.

Disclosure of information: Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management personnel may be disclosed in the Company's annual financial statements as per statutory requirements.

Application of the Remuneration Policy: This Remuneration Policy shall continue to guide all future employment of Directors, Senior Management including Key Managerial Personnel and other employees. Any departure from the policy can be undertaken only with the approval of the Board of Directors.

Secretarial Audit Report

For The Financial Year Ended 31st March, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members

M/s. Cybermate Infotek Limited

Plot No-19&20, Moti Valley, Trimulgherry

Secunderabad-500015. Telangana

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Cybermate Infotek Limited (CIN: L72200TG1994PLC017485)** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. Cybermate Infotek Limited** for the period ended on 31st March, 2018 according to the provisions of:

- I. The Companies Act, 2013 (**the Act**) and the Rules made there under;
- II. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the Rules made there under;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**) to the extent applicable to the Company :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (Applicable w.e.f. 15th May, 2015);
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not Applicable during the audit period);
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India

(Share Based Employee Benefits) Regulations, 2013 (Not Applicable during the audit period)

- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable during the audit period);
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with Client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations 2009 (Not Applicable during the audit period) and;
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations 1998 (Not Applicable during the audit period);

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India as notified from time to time.
- ii) The Listing Agreement entered into by the Company with BSE Limited.
- iii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. (Applicable w.e.f. 1st December, 2015)

During the financial year under report, the Company has complied with the provisions of The Companies Act, 2013, The Companies Act, 1956 to the extent applicable and the Rules, Regulations, Guidelines, Standards, etc., mentioned.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test check basis, the

Company has complied with the following law applicable specifically to the Company:

- a) Information Technology Act, 2000 and the rules made there under.
- b) Software Technology Parks of India rules and regulations.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Companies Act, 2013.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out and are recorded in the minutes of the meeting of the Board of Directors or Committee of the Board as the case may be.

I further report that as far as possible, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

CORPORATE GOVERNANCE REPORT

The Company's Corporate Governance Philosophy

Corporate Governance is more a way of Business life than a mere legal compulsion. Your Company believes that, though the prime focus of any business entity is on the core objective of earning profits, the same should be aligned with the expectations of stakeholders. In this direction, the Board of Directors of your Company is committed to adopt good corporate governance practice as a part of the corporate culture, a way of its corporate life and a kind of self-disciplinary code. And it is so designed to serve the ultimate goal of making the Company a value driven Organization. Effective corporate governance practices coupled with strong leadership have been the Company's plus point.

Your Company strictly adheres to the requirements of Listing

Agreement executed with the Stock Exchange. The Securities and Exchange Board of India (SEBI) has notified SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 on September 2, 2015, replacing the earlier listing agreement (w.e.f. December 1, 2015) and is aimed to consolidate and stream the provisions of earlier listing agreements for different segments of Capital market viz equity, debentures, debt instruments, etc.

The corporate governance guidelines help fulfil the responsibility of the board towards the shareholders and also ensure that the board is empowered sufficiently to set up procedures to function and also evaluate the performance of the management.

Management Discussion & Analysis

Our Business

Cybermate is a conventional IT Services firm known for its bespoke software services. Our innovative and cost-effective services ensure our customers gain competitive edge and remain on par with cutting edge technologies. Our focus remains on maintaining quality standards in our key deliverables. We ensure to deliver best-of-breed technological solutions to enable our customers to meet their software development requirements. We are a public limited Company based in India, and have our registered corporate office at Hyderabad, Telangana. Our Company is listed on the Bombay Stock Exchange (BSE).

Our services include, compiling and selling products for general IT use and domain specific solutions. Some of the services we provide are listed below:

- System integration services
- Network & Surveillance
- Product assembling and marketing
- Soft selling third party products
- Assembling business platforms
- Analytics
- Mobile applications
- Cloud-based solutions
- BPO
- Healthcare
- Telecom
- Engineering
- Energy and retail platforms.

We at Cybermate administer projects on web and web-related technologies. Our objective is to bring together business and technology strategies so as to focus on reorienting and refocusing on gaining ground. We rely on our industry experience and technology expertise to effectively develop products and create next-gen solutions that meet our customers' evolving business challenges. Having faced quite a few challenges due to our conventional approach and services, we have conceptualized to the "Refurbish-Remodel-Revive" model, and the changing technology landscape puts us in a position to seize the opportunity and initiative.

The ways businesses are run differ from country to country and from business to business. When people find new approaches to old problems, create solutions by combining cultural perspectives and learn to see issues from the viewpoint of others, businesses are enhanced. Despite the odds, the Indian economy emerged and was able to accelerate growth out of its own potential. Improved political reforms, reduced trade barriers, and enhanced workforce education, reduction in regulatory burden and business costs have contributed to this emergence.

Mobile innovation has taken over today's emerging technologies and thus remains the center of huge digital transformation for organizations, both small and big. Digital technology business is outpacing traditional business growth rapidly and this strengthened India's consumer economy and the Indian government's initiative for digitization. We entered the business of smart enterprise through a multitude of digital technologies in order to continue to provide conventional IT products, services and solutions, Internet of Things (IoT), Social, Mobile, Analytics and Cloud (SMAC), Digital and Platform.

Overview of the Industry

Technology and software are radically transforming all walks of life, natural or human-made, with businesses being the prime beneficiaries of this resurgence. The downward spiral in hardware costs, emerging software technologies and technology-enabled-services, enhanced network bandwidth continues to spur the rapid digitization of business processes and information, across industries. This revolution is culminating in continued customer delight by opening new avenues, disrupting markets and automating core functions. Conventional business models are now paving way for digital and software-based business models. As a result, the products are innovative and user-friendlier than ever, costs are competitive and supply chain robust. In light of this disruption, it's imperative for established companies to reinvent their businesses and business models, by having technology and user experience at the forefront.

It's critical for business leaders to set their strategic imperatives that focus on exploiting cutting edge technologies and new business models, to ensure their businesses are future-ready. It's increasingly becoming important for IT departments to be efficient, cost-effective and relevant. To achieve this, investing in distributed cloud computing, deriving value from digitized data and enabling legacy systems for mobile and sensor access, is paramount. Businesses need to continually explore new technological solutions that are more intelligent, make sense economics wise and have stellar cost-benefit performance.

This bottleneck advancement in technology calls for technology professionals who are skilled and knowledgeable in both conventional and digital platforms, in order to positively transform the business. Due to this ever-increasing need, businesses are constantly relying on third party

service providers. This brought about the burgeoning technology solution and service providers, who tailor their offerings according to customer needs:

- Global technology outsourcing companies – who transform their businesses and optimize their customers' IT operations by tapping into their global talent pools
- Business process management firms – who manage their customers' outsourced core business processes by tapping into their global talent pools
- Niche technology consulting companies – who deal with limited-scope and time-bound projects for their customers
- Specialty platform and Software-as-a-Service (SaaS) companies – who provide their customers with utility-based software models
- Data analytics companies – who design, analyze and report insights from the enormous amount of data about customers, markets and operations
- Software firms – who make business process automation possible by providing licensed software
- Internal IT departments of the companies, which are effectively the cost centers

Blockchain is a pivotal platform for digitization in that it may overhaul infrastructures, may also play a critical role in risk management, innovation, cyber security, big data and telematics.

Digitization is changing the way customers view businesses and implement innovative ideas to gain competitive edge and bottom-line gains. Adapting to smart digitization plans and adopting new technologies will help in overcoming business

challenges. It helps the industry to evolve and enhance the quality of performance. Whereas, Blockchain is a digitized technology phenomenon that logs all crypto currency transactions. It is much more than a mere instrument in the field of finance. It serves as a ledger that cannot be tampered with and enforces transparency. This is where Blockchain steps in, enforcing transparency and is incorruptible in that it ensures both parties' contract is fulfilled and any monetary transfers that happen between those two parties remains between them, and no third party nor any bank would be aware of the transaction.

We, at Cybermate are at the cutting edge of emerging technologies; Blockchain and Digitization are no exceptions. Our prowess includes effectively and efficiently helping our customers implement Blockchain and Digitization. We have skilled and seasoned professionals who ensure your needs are met in terms of effectively utilizing technologies like Blockchain and Digitization, while also helping you optimize your costs.

Our Platforms

Healthcare Platform (www.cyber1health.com)

Electronic Health Records (EHR) is a systematic collection of health records of individuals and patients. We were touched by a true incident that made us foray into the EHR space. An elderly gentleman was admitted into a reputed hospital for treatment. After he was discharged from the hospital, due to some medical complications he had to go to the hospital's branch in another part of the city. The doctors in this branch insisted that he undergo the same tests conducted in the main hospital recently at the earlier hospital, because neither the patient carried any reports nor the hospital branch had any access to the records. This is where she comes to the rescue, in dealing with such situations. EHR is a repository/longitudinal record which can be

accessed anytime, anywhere by the customer with the following highlights:

- Diagnostic reports, prescriptions, discharge summaries and procedure summaries, medical images such as x-ray, MRI scan, CT scan and procedure videos can be stored and accessed electronically
- Entire health history of an individual including data from multiple providers is available
- Web based platform facilitates access to health records irrespective of the hospital from anywhere in the world
- Facilitates telemedicine
- Provides exclusive logins for patients, doctors and insurance companies

We have launched the pilot platform and the response has been encouraging with 10000 active users on board. Smart phone users are expected to grow to 650 million by 2020 there by increasing our scope.

Healthcare Platform (www.healsoft.in)

An all-in-one hospital management system is what CIL has versioned and built an all inclusive hospital management software system namely "Healsoft". This was to ensure smooth and hassle free hospital management. Our software seamlessly manages all areas of hospital operations. Almost every aspect of this software is customized to enable hospitals to manage all financial, clinical and operational requirements of a hospital/clinic.

- Appointment management
- Inpatient and outpatient management
- Patient records management
- Billing and Invoicing

- Inventory management
- Revenue management
- Pharmacy
- Laboratory
- Human Resources and Financial accounting Etc

HealSoft streamlines the workflow and boosts efficiency by eliminating any possibility of human error, eases information availability through Cloud.

Logistics Platform (www.bharatcargo.in)

Our Logistics platform helps to make the most out of your logistics function by managing them through one technology platform. This all-encompassing platform speeds up system integration, reduces risk and improves efficiency. Logistics is an integral part of operations and we focus on optimizing logistics management with respect to road transportation.

Transport operators can be broadly categorized as below:

- Small Fleet Operators (SFOs) - owning up to five vehicles
- Medium Fleet Operators (MFOs) owning between 6 and 20 vehicles
- Large Fleet Operators (LFOs) owning typically over 20 vehicles

Road cargo is offered as Full Truck Load (FTL) and partial truck load (PTL).

LFOs have long term contracts and are geographically spread to source business. They also have the capability to operate through their own web presence whereas SFOs and MFOs look forward to source customers to optimize cost per trip. Domestic and business customers look out for cargo operators to optimize costs and to arrive quickly. LTL requires a wider reach and adequate infrastructure and hence CIL has a cargo platform.

This platform facilitates the SFO & MFO's interaction with SME, MSME and domestic customers to achieve their goals. In this segment of service, the customers do not hire the entire truck and the LTL service provider aggregates consignments from various clients and sends them across to the desired destination.

Marketplace for arts and crafts (www.indycrafts.in)

We have built an online one-stop shop for people who love rich Indian heritage handicrafts and handlooms that are unique in their tradition and make. Indycrafts is an extraordinary e-commerce platform where the unique skills are passed down several generations of artisans, so that they will be available to both the connoisseur and the novice for many years. We launched this platform in an effort to boost sales, and to benefit the artisans in more ways than one, such as capacity enhancement, skill development, marketing of their products and employment opportunities to name a few. By doing this the small entrepreneurs are encouraged and the natural corollary to such developments would be innovation.

In order to enhance our service offerings, our strategy focuses on bringing in concepts of automation, analytics, improving productivity with higher accuracy and to reduce costs to customers. We continue to leverage the advantage of open source technologies in providing innovative and cost-effective performance solutions.

Risk Management

Great achievements involve great risk! Hence, in order to succeed you have to take risks. Risk Management is an enterprise wide function backed by a qualified team of specialists with deep understanding of frameworks and methodologies for assessing and mitigating risks. Being mindful of our customers and investors, our Company has classified risks in to some major categories.

Major Risks:

- Strategic risks arise from taking poor business decisions like substandard execution, poor resource allocation, failure to respond to changes in any given business environment.
- Operational risks are the losses resulting from failed procedures, systems or policies like employee errors, system failures, fraud or criminal activity.
- Financial risks pertain to a firm unable to meet its financial obligations. Regulatory risk is the potential material impact because of a change in laws and regulations.
- Human Capital risks pertain to potential risks related with managing human resources incorrectly.

Risk Assessment

Risk assessment is basically the identification of hazards that could possibly impact an organization, which doubts the ability to conduct business. Identifying these potential risks and providing measures, processes and controls to reduce the impact of these risks to business is risk assessment. In other words, risk identification, risk analysis, risk evaluation and risk control are the approaches we take.

The risks that the management reviews include:

- Technology Obsolescence Risk-By keeping abreast with market demands and customer expectations, your Company averts technology obsolescence by timely investment in new technology, keeping pace with updates in technology, training its resources accordingly and by not being

reliant on any one technology or platform.

- Human Resource Risk- Our Company maintains a resource pool by recruiting the best talents across the country, imparting training and honing knowledge and skills, creating quality work environment and providing opportunities and challenges for growth. A transparent performance based incentive system ensures motivation and prevention of brain drain from the Company.
- International Exposure Risk- Thorough understanding of compliance of local laws and the possibility of regulatory, visa and tax complications of different countries mitigates risks by engaging specialists and professional agencies with expertise in the areas of concern.
- Foreign Currencies Risk- Economic volatility across the globe, fluctuations in major currencies and cross currency movements have a strong bearing on India's IT industry as most of its market is overseas. As a preventive measure, your Company enters into forward cover for predictable inward remittances in order to minimize risks associated with foreign currency rate fluctuations.
- Information Security and Disaster Recovery- As per the European Union's (EU) General Data Protection Regulation (GDPR), consumers will be in charge of their online data. In addition to all the internal compliance issues, there a lot of amendments that needs to be done to the contracts to reflect GDPR standards. We are a law abiding organization and totally comply with GDPR standards and ensure the data privacy of both our vendors and clients.

The other risks CIL examines are as follows:

- Credit Risk includes creditworthiness; risk in settlement of dues by clients and provisions for doubtful and bad debts.
- Legal Risk includes Contract risk; Contractual liability; Frauds; Judicial Risk and Insurance risk

Our Risk Management Framework (RMF)

Our Risk Management Framework (RMF) allows for striking the right balance between taking risks and reducing them, because it results in adding value to the organization. An effective risk management framework seeks to protect an organization's capital base and profits without hindering the growth of the organization. In other words, it's about managing uncertainty and creating an environment with fewer surprises.

The RMF approach...

1. A stable and structured approach to identifying and managing risks.
2. Anticipation of a consistent approach to identifying, rating, mitigating, managing and monitoring risks.
3. Taking good management decisions and deploying risk management policies and procedures across the board.
4. An environment where the staff understands the importance of RMF and making sure to adhere to risk management policies and procedures.
5. Auditing and approving risk management framework and practices of the Company.
6. Implementing the prescribed risk mitigation actions.

7. Reporting and reviewing risk events and incidents in a timely manner.

Provision of relevant and timely information across, regular audits, provision of feedback to management, and ensuring the quality and processes are in place and are effective.

Advantages of Risk management

Risk identification is critical to effectively manage a crisis situation. It points to all the risks involved well ahead of time without any assumptions. It helps in opportunity risks so as to be aware of the forthcoming issues. It focuses on the tasks which help on assisting the impact of business or projects. It basically is the greatest advantage of dealing with the problems that are finalized with more possible solutions.

Disadvantages of Risk management

Managing risks results in some waste of time which may create barriers to compensate the projects. Most of the time is spent on the research and development of the allocated issues than to on managing projects.

INDEPENDENT AUDITOR'S REPORT

To the Members of

M/S CYBERMATE INFOTEK LIMITED

Report on Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of M/s Cybermate infotek Limited ('the Company'), which comprise of the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss (including other Comprehensive income) the statement of Cash Flows and the statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (herein after referred as 'Standalone Ind AS Financial statements')

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Basis of Qualified Opinion

The Company has defaulted in payment to M/s DHFL towards lease rental discounting facility and the matter is pending before the Debt Recovery Tribunal and no interest has been provided by the Company in its books of accounts which is not in accordance with generally accepted accounting principles.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects / possible effects of our observation stated in "Basis of Qualified Opinion paragraph" above the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial

position of the Company as at 31st March 2018, and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matter:

- a) M/s Wincere Inc (the Company) & Himashu P Kansara has filed petition U/S 7 of IBC 2016, against the Company at the Honorable NCLT Hyderabad bench. The Honorable NCLT passed the order by admitting the petition and appointed Resolution Professional. However the same has been granted Stay by the Honorable Supreme Court. (Ref Note No.24).
- b) **Going Concern:** The above conditions indicate the existence of material uncertainties which may cast significant doubt on the Company's abilities to continue as going concern. In the event that the going concern assumption of the Company is inappropriate, adjustments will have to be made as not a going concern. However the financials has not been made with such adjustments for the F.Y 2017-18.

Our report is not modified in respect of above two matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we further report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the Balance Sheet, The Statement of Profit and Loss (including other comprehensive income, the Cash Flow Statement and statement of changes in Equity dealt with by this Report are in agreement with the books of account;
- d) in our opinion, except for the effect/possible effect of the matters described in "Basis of Qualified Opinion" paragraph above, the aforesaid Ind AS standalone financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
- e) The matters described in 'Basis of Qualified opinion' may not have any adverse effect on the functioning of the Company.
- f) As per the information and explanations provided by the Company and on the written representations from management during the year, Dr.D.Jayarami Reddy, Independent Director has vacated office on account of disqualification and no other director is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B' and
- h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our

information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note no 25: to the Standalone Ind AS financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annexure B to the Independent Auditor's Report**Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')**

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended 31st march 2018, We have audited the internal financial controls over financial reporting of M/s Cybermate Infotek Limited ('the Company') as on 31st march 2018 in conjunction with our audit of consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: Significant Accounting Policies

1. Corporate Information

Cybermate is a Mid-Sized IT Services Company engaged in custom built software development, System Integration Services, Network & Surveillance, building and selling own Products, reselling third party products, business platforms, analytics, social media, mobile applications, cloud based solutions and outsourced business processes etc. Cybermate has over the years built and sold products for general IT use and domain specific solutions for Health Care, Telecom, Engineering, Energy and Retail. Cybermate is a public limited Company incorporated in India and has its registered and corporate office at Hyderabad, Telangana. The Company is listed on BSE Limited.

2. Summary of Significant Accounting Policies

a. Compliance with Ind AS

The Company has adopted Indian Accounting Standards (the "Ind AS") prescribed under Section-133 of the Companies Act, 2013 (the "Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standard) (Amendment) Rules, 2016, with effect from 1st April, 2017 with 1st April, 2016 as the date of transition. Accordingly, the Financial Statements have been prepared in accordance with the said Ind AS & Rules and other recognised accounting practices & policies to the extent applicable. For all periods up to and including the year ended 31st March, 2017, the Company had prepared its Financial Statements in accordance with accounting standards as prescribed under Section 133 of the Companies Act, 2013 (the "Act") read with Rule-7 of the Companies (Accounts) Rules, 2014 (referred to as "Indian GAAP"). The Company has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet at April, 2016 throughout all periods presented, as if

these policies had always been in effect and are covered by Ind AS 101 "First-time adoption of Indian Accounting Standards". The transition was carried out from accounting principles generally accepted in India ("Indian GAAP") which is considered as the previous GAAP as defined in Ind AS 101. The reconciliation of effects of the transition from Indian GAAP on the equity as at April 1, 2016 and March 31, 2017 and on the net profit and material adjustments to cash flows for the year ended March 31, 2017 is disclosed in the Financial Statements.

The Standalone Financial Statements provide comparative information in respect of previous year. In addition, the Company presents Balance Sheet as at the beginning of previous year, which is the transition date to Ind AS.

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates (Refer Note No.3 on critical accounting estimates, assumptions and judgements).

b. Basis of Preparation of Financial Statements:

(i) Historical cost convention

These Financial Statements have been prepared under the historical cost convention on the actual basis.

The Financial Statements are presented in Indian Rupees (*) which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupee except as otherwise stated.

(ii) Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

c. Property, Plant & Equipment:

(i) Recognition and measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

(ii) Transition to Ind AS

On transition to Ind AS, the Company has decided to continue with the carrying value of property, plant & equipment recognised as at April 1, 2016 as per the previous GAAP and adopted that carrying value as the deemed cost of property, plant & equipment.

The residual value, useful lives and methods of depreciation of Property, Plant & Equipment are reviewed as per Schedule II of Companies Act, 2013 at each Financial Year end and adjusted prospectively.

(iii) Depreciation

The Company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

d. Intangible Assets:

(i) Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable intangible assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to

the entity and the cost of the asset can be measure reliably.

(ii) Transition to Ind AS

On transition to Ind AS, the Company has decided to continue with the carrying value of intangible assets recognised as at April 1, 2016 as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(iii) Depreciation

The Company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Software acquired

Particulars	Useful life
Software License	2 years

Software internally developed

Particulars	Useful life
Product/Platform	4 years

e. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets and Investment Property are reviewed at each Balance Sheet date to assets impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset or exceeds its recoverable value being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

f. Foreign Currency Transactions:

(i) Functional and Presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(ii) Transactions and Balances:

Transactions in foreign currencies are translated in to functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

h. Revenue Recognition:

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates, discounts and value added taxes.

The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

(ii) Fixed-price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

(iii) Services contracts:

Revenue from maintenance contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

(iv) Sale of licenses:

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

(v) Other Income

Profit on Sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the Company's right to receive dividend is established

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

i. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The Company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive

income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

j. Provisions, Contingent Liabilities, Commitments and Contingent

Assets: Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

k. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of

OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

I. Segment Reporting:

In accordance with the requirement of AS-17 on Segment reporting, the Company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the Company for the year ended 31st March 2018.

There are no secondary reportable segments (Geographical Segments).

m. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that

are directly attributable to the acquisition or release of financial assets and financial liabilities respectively, which are not at fair value through profit or loss are added to the fair value of underlying financial assets and liabilities on initial recognition. Trade receivables and trade payables that do not contain a significant financing component are initially measured at their transaction price.

(ii) Subsequent Measurement:

(a) Non-derivative financial instruments - Financial assets carried at amortised cost.

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) to present the subsequent changes in fair value through profit and loss account.

(iv) Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued

through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) at fair value through profit and loss account.

(v) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

n. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

o. Earnings per share :

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

p. Employee Benefits:

Contributions to Provident and Employee State Insurance etc accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are

accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting – Estimates, Assumptions and Judgements:

(i) Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

(ii) Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

(iii) Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. Similarly, the Company provides for inventory obsolescence, excess inventory and inventories with carrying values in excess of net realizable value based on assessment of the future demand, market conditions and specific inventory management, initiatives. In all cases, inventory is carried at the lower of historical cost and net realisable value.

Notes to Accounts

23. Secured Loan from Housing Finance Company

The Company has its own commercial space which was leased out to another IT Services Company for 10 years in 2004. The Lease rentals were discounted with a housing finance Company to augment working capital for the Company. The tenant had terminated the lease and vacated the property of the Company in 2009. Owing to Political conditions in the state, the property could not be leased out and thereby the account became irregular. The Company approached the lender to restructure the loan, but they initiated proceedings under SARFAESI Act to recover their dues. The Lender took possession of the property. The Company approached the Debts recovery tribunal. The Liability is squared off by sale of property. The Company is yet to pass necessary entries in the books of account adjusting the asset against the liability as the order copy is yet to be received from the Debts Recovery Tribunal, Hyderabad.

24. NCLT Order- Going Concern Assumption

During the year one individual and another overseas corporate had approached the National Company Law Tribunal, Hyderabad claiming amounts as financial creditors under section 7 of the Insolvency and Bankruptcy code 2016.

The Company had made submissions before the NCLT denying the allegations and dues to the petitioners. The NCLT, Hyderabad passed orders on the 26th March 2018 admitting the petition and appointed an Insolvency Resolution Professional thereby suspending the board of the Company.

The IRP took charge and made announcements in the newspapers on the 01st May 2018 inviting claims of the creditors.

The IRP also issued a notice of meeting of Committee of Creditors to be held on the 21st May 2018.

Meanwhile Mr. P. Chandra Sekhar, one of the promoters of the Company filed an appeal before the National Company Law Appellate Tribunal, New Delhi (NCLAT) seeking a stay on the IBC proceedings.

The NCLAT was not inclined to grant a stay and posted the matter for hearing on the 21st May 2018.

Aggrieved by the order of the NCLAT not inclined to grant a stay Mr. P. Chandra Sekhar, approached the Honourable Supreme Court of India seeking a stay on the IBC proceedings. The Hon'ble Supreme Court granted a stay on the 18th May 2018 on the order of the NCLT dated 26-03-2018. Thus, the board of the Company was restored. The matter is pending adjudication before the Hon'ble Supreme Court of India.

The auditors have laid emphasis on this matter in their report and the same is clarified as follows.

- The Company is not a party to the Loan Agreement or the Settlement deed presented by the Financial Creditors before the NCLT. Hence the board is confident of coming out of this litigation.
- Going Concern assumption is considered appropriate by the board on the basis of merits and the financial statements have been prepared by applying normal principles of recognition and measurement.

34. Transition to Ind AS

The Transition to Ind AS has been carried out from accounting principles generally accepted in India (Indian GAAP), Which is considered the "Previous GAAP" of Ind AS 101 (First time adoption of Indian Accounting Standards).

The Preparation of these financial statements resulted in changes to the Company's accounting policies as compared to most recent annual financial statements prepared under previous GAAP. Accounting Policies have been applied consistently to the preparation of Ind AS opening statement of financial position as at April 1, 2016 ("Transition Date") for the purpose of the transition to Ind AS as required by Ind AS 101 (First time adoption of Indian Accounting Standards).

As per 'the deemed cost' exception given in paragraphs to IND AS (First time adoption of Indian Accounting Standards) any item of property, plant and equipment can be measured at the date of transition to IND AS at its fair value or at revalued amount. The previous GAAP revalued amount can be considered as deemed cost if the revaluation was, at the date of the revaluation, broadly comparable to either the fair value or cost or depreciated cost in accordance with IND AS.

Various items of property, plant and equipment have been valued as follows :

All the assets were considered at cost with appropriate application of depreciation in accordance with IND AS requirements retrospectively.

(ii) Non Current Investments:

Non Current Investments are carried at cost.

(iii) Other Current Financial Assets:

As per Indian Accounting Standard (IND AS) 109, on Financial Instruments, " the amortised cost of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured at initial recognition minus principal repayments, plus or minus the cumulative amortization using the effective interest method of any differences between the initial amount and the maturity amount and, for financial assets, adjusted for any loss allowance.

(iv) Share Capital: IND AS 32 (Financial Instruments: Presentation) requires the issuer of a financial instrument to classify the instrument as a liability or equity on initial recognition, in accordance with substance and the definition of these terms.

The application of this principle requires certain instruments that have the form of equity to be classified as liability.

The Company does not have any such type of things.

(v) Reserves and Surplus:

There is no change in reserves and surplus due to transition in IND AS. Prior period items need to be adjusted in the year in which changes take place, as per IND AS. However the same has not taken place during the year.

(vi) Deferred Tax Liability :

Deferred tax is provided in full for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED Ind AS FINANCIAL STATEMENTS

To the Members of M/s. Cybermate Infotek Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of M/s. Cybermate Infotek Limited ("hereinafter referred to as the Holding Company"), and its subsidiaries; together referred to as "the Group" comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income) and Consolidated Cash Flow Statement for the year then ended, and the consolidated Statement of changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Ind AS consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows and consolidated statement of changes in Equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the

Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies;

Making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the Provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the holding Company Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS Financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis of Qualified opinion:

We draw attention regarding that the Company has defaulted in payment to M/s DHFL towards lease rental discounting facility and the matter is pending before the Debt Recovery Tribunal and no interest has been provided by the Company in its books of accounts which is not in accordance with generally

accepted accounting principles.

Qualified Opinion:

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/ possible effects of our observation stated in "Basis of Qualified Opinion paragraph" above read with 'Other Matters' paragraph below, the aforesaid Ind AS consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the Consolidated state of affairs (financial position) of the Group as at 31st March 2018 and their consolidated profit (including other comprehensive income), their consolidated cash flows and the consolidated changes in Equity for the year ended on that date.

Emphasis of matters:

- a) M/s Wincere Inc (the Company) & Himashu P Kansara has filed petition U/S 7 of IBC 2016, against the Company at the Honorable NCLT Hyderabad bench. The Honorable NCLT passed the order by admitting the petition and appointed Resolution Professional. However the same has been granted Stay by the Honourable Supreme Court. (Ref Note No.24).
- b) **Going Concern:** The above conditions indicate the existence of material uncertainties which may cast significant doubt on the Company's abilities to continue as going concern. In the event that the going concern assumption of the Company is inappropriate, adjustments will have to be made as not a going concern. However the financials have not been made with such adjustments for the F.Y 2017-18.

Our report is not modified in respect of these matters.

Other Matter

We have relied on the management certified unaudited financial statements of the subsidiary Company (one) whose financial statement reflect total assets of Rs. 2,17,500 as at March 31, 2018 and total revenues of Rs. Nil for the year then ended. These unaudited financial statements as approved by the respective board of directors of these companies have been furnished to us by the management and our report insofar as it relates to the amounts included in respect of these subsidiaries is based solely on such approved unaudited financial statements.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports submitted by the management on the subsidiary financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable that,

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Ind AS consolidated financial statements,
- (b) In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Ind AS consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement and the consolidated statement of changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements
- (d) In our opinion, except for the effect/ possible effect of the matters described in 'Basis of Qualified Opinion' paragraph above, the aforesaid Consolidated Ind AS financial statements comply with the Accounting standards specified under section 133 of The Act ,read with relevant rules issued there under.
- (e) The matters described in 'Basis of qualified opinion' paragraph above, in our opinion may not have an adverse effect on the functioning of the Company.
- (f) As per the information and explanations provided by the Company and on the written representations from management during the year, Dr. D. Jayarami Reddy, Independent Director has vacated office on account of disqualification and no other director is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigation

as at March 31, 2018 on the consolidated financial position of the Group. Refer Note 24: to the consolidated financial statements.

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Auditor's Report

"Annexure A" referred to in paragraph 1(f) under "Report on other legal and Regulatory Requirements" section of report on financial statements of even date to the members of CYBERMATE INFOTEK LIMITED on the financial statement for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of Ind AS consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of M/s Cybermate Infotek Limited ('the Holding Company') as of that date. The Holding Company does not have subsidiaries incorporated in India.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other matter:

Our report u/s 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company in so far as it relates to one subsidiary Company which is incorporated outside India, is based solely on the corresponding reports submitted by the management in respective of such subsidiary incorporated outside India.

Cybermate is a public limited Company incorporated in India and has its registered and corporate office at Hyderabad, Telangana. The Company is listed on BSE Limited.

2. Summary of Significant Accounting Policies

a. Compliance with Ind AS

The Company has adopted Indian Accounting Standards (the "Ind AS") prescribed under Section-133 of the Companies Act, 2013 (the "Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standard) (Amendment) Rules, 2016, with effect from 1st April 2017 with 1st April, 2016 as the date of transition. Accordingly, the Financial Statements have been prepared in accordance with the said Ind AS & Rules and other recognised accounting practices & policies to the extent applicable. For all periods up to and including the year ended 31st March, 2017, the Company had prepared its Financial Statements in accordance with accounting standards as prescribed under Section 133 of the Companies Act, 2013 (the "Act") read with Rule-7 of the Companies (Accounts) Rules, 2014 (referred to as "Indian GAAP"). The Company has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet at April, 2016 throughout all periods presented, as if

these policies had always been in effect and are covered by Ind AS 101 "First-time adoption of Indian Accounting Standards". The transition was carried out from accounting principles generally accepted in India ("Indian GAAP") which is considered as the previous GAAP as defined in Ind AS 101. The reconciliation of effects of the transition from Indian GAAP on the equity as at April 1, 2016 and March 31, 2017 and on the net profit and material adjustments to cash flows for the year ended March 31, 2017 is disclosed in the Financial Statements.

The Standalone Financial Statements provide comparative information in respect of previous year. In addition, the Company presents Balance Sheet as at the beginning of previous year, which is the transition date to Ind AS.

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates (Refer Note No.3 on critical accounting estimates, assumptions and judgements).

b. Basis of Preparation of Financial Statements:

(i) Historical cost convention

These Financial Statements have been prepared under the historical cost convention on the actual basis.

The Financial Statements are presented in Indian Rupees (*) which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupee except as otherwise stated.

(ii) Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

c. Principles of Consolidation

The Consolidated Financial Statements of Cybermate Infotek Limited and its overseas subsidiaries viz Cybermate infotek Limited Inc and Cybermate International, Unipessoal LDA are prepared in accordance with the generally accepted accounting principles as applicable in India and the Indian Accounting Standard (Ind AS) 110 on Consolidated Financial Statements.

The Consolidated financial statements are prepared using uniform accounting policies for similar transactions to the extent in similar circumstances.

The Company consolidates financial statements of all entities which are controlled by it.

The financial statements of the Company and its subsidiaries are consolidated on a line by line basis by adding together like items of assets and liabilities, income and expenses. Intragroup balances and intra group transactions and resulting unrealised profit s have been eliminated.

List of overseas subsidiaries considered in consolidated financial statements.

Name of the Subsidiary	Country of Incorporation	Extent of holding as on	
		31.03.18	31.03.17
Cybermate Infotek Limited Inc	USA	100%	100%
Cybermate International, Unipessoal, LDA	Portugal	100%	NA

d. Property, Plant & Equipment:

(i) Recognition and measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

(ii) Transition to Ind AS

On transition to Ind AS, the Company has decided to continue with the carrying value of property, plant & equipment recognised as at April 1, 2016 as per the previous GAAP and adopted that carrying value as the deemed cost of property, plant & equipment.

The residual value, useful lives and methods of depreciation of Property, Plant & Equipment are reviewed as per Schedule II of Companies Act, 2013 at each Financial Year end and adjusted prospectively.

(iii) Depreciation

The Company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

e. Intangible Assets:**(i) Recognition and Measurement**

Intangible assets acquired separately are measured on initial recognition at cost.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

(ii) Transition to Ind AS

On transition to Ind AS, the Company has decided to continue with the carrying value of intangible assets recognised as at April 1, 2016 as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(iii) Depreciation

The Company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Software acquired

Particulars	Useful life
Software License	2 years

Software internally developed

Particulars	Useful life
Product/Platform	4 years

f. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets and Investment Property are reviewed at each Balance Sheet date to assets impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset or exceeds its recoverable value being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

g. Foreign Currency Transactions:**(i) Functional and Presentation currency:**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(ii) Transactions and Balances:

Transactions in foreign currencies are translated in to functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the

settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

h. Revenue Recognition:

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates, discounts and value added taxes.

The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

(ii) Fixed-price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

(iii) Services contracts:

Revenue from maintenance contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain

projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

(iv) Sale of licenses:

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

(v) Other Income

Profit on Sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the Company's right to receive dividend is established

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

I. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The Company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

j. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

k. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

l. Segment Reporting:

In accordance with the requirement of AS-17 on Segment reporting, the Company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the Company for the year ended 31st March 2018.

There are no secondary reportable segments (Geographical Segments).

m. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or release of financial assets and financial liabilities respectively, which are not at fair value through profit or loss are added to the fair value of underlying financial assets and liabilities on initial recognition. Trade receivables and trade payables that do not contain a significant financing component are initially measured at their transaction price.

(ii) Subsequent Measurement:

(a) Non-derivative financial instruments - Financial assets carried at amortised cost.

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as

equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) to present the subsequent changes in fair value through profit and loss account.

(iv) Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) at fair value through profit and loss account.

(v) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

n. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

o. Earnings per share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

p. Employee Benefits:

Contributions to Provident and Employee State Insurance etc accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting – Estimates, Assumptions and Judgements:

(i) Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

(ii) Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

(iii) Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. Similarly, the Company provides for inventory obsolescence, excess inventory and inventories with carrying values in excess of net realizable value based on assessment of the future demand, market conditions and specific inventory management initiatives. In all cases, inventory is carried at the lower of historical cost and net realisable value.

23. Secured Loan from Housing Finance Company

The Company has its own commercial space which was leased out to another IT Services Company for 10 years in 2004. The Lease rentals were discounted with a housing finance Company to augment working capital for the Company. The tenant had terminated the lease and vacated the property of the Company in 2009. Owing to Political conditions in the state, the property could not be leased out and thereby the account became irregular. The Company approached the lender to restructure the loan, but they initiated proceedings under SARFAESI Act to recover their dues. The Lender took possession of the property. The Company approached the Debts recovery tribunal. The Liability is squared off by sale of property. The Company is yet to pass necessary entries in the books of account adjusting the asset against the liability as the order copy is yet to be received from the Debts Recovery Tribunal, Hyderabad.

24. NCLT Order- Going Concern Assumption

During the year one individual and another overseas corporate had approached the National Company Law Tribunal, Hyderabad claiming amounts as financial creditors under section 7 of the Insolvency and Bankruptcy code 2016.

The Company had made submissions before the NCLT denying the allegations and dues to the petitioners. The NCLT, Hyderabad passed orders on the 26th March 2018 admitting the petition and appointed an Insolvency Resolution Professional thereby suspending the board of the Company.

The IRP took charge and made announcements in the newspapers on the 01st May 2018 inviting claims of the creditors.

The IRP also issued a notice of meeting of Committee of Creditors to be held on the 21st May 2018.

Meanwhile Mr. P. Chandra Sekhar, one of the promoters of the Company filed an appeal before the National Company Law Appellate Tribunal, New Delhi (NCLAT) seeking a stay on the IBC proceedings.

The NCLAT was not inclined to grant a stay and posted the matter for hearing on the 21st May 2018.

Aggrieved by the order of the NCLAT not inclined to grant a stay Mr. P. Chandra Sekhar, approached the Honourable Supreme Court of India seeking a stay on the IBC proceedings. The Hon'ble Supreme Court granted a stay on the 18th May 2018 on the order of the NCLT dated 26-03-2018. Thus, the board of the Company was restored. The matter is pending adjudication before the Hon'ble Supreme Court of India.

The auditors have laid emphasis on this matter in their report and the same is clarified as follows.

a. The Company is not a party to the Loan Agreement or the Settlement deed presented by the Financial Creditors before the NCLT. Hence the board is confident of coming out of this litigation.

b. Going Concern assumption is considered appropriate by the board on the basis of merits and the financial statements have been prepared by applying normal principles of recognition and measurement.

34. Transition to Ind AS :

The Transition to Ind AS has been carried out from accounting principles generally accepted in India (Indian GAAP), which is considered the "Previous GAAP" of Ind AS 101 (First time adoption of Indian Accounting Standards).

The Preparation of these financial statements resulted in changes to the Company's accounting policies as compared to most recent annual financial statements prepared under previous GAAP. Accounting Policies have been applied consistently to the preparation of Ind AS opening statement of financial position as at April 1, 2016 ("Transition Date") for the purpose of the transition to Ind AS as required by Ind AS 101 (First time adoption of Indian Accounting Standards).

(i) Property Plant & Equipment :

As per 'the deemed cost' exception given in paragraphs to IND AS (First time adoption of Indian Accounting Standards) any item of property, plant and equipment can be measured at the date of transition to IND AS at its fair value or at revalued amount. The previous GAAP revalued amount can be considered as deemed cost if the revaluation was, at the date of the revaluation, broadly comparable to either the fair value or cost or depreciated cost in accordance with IND AS.

Various items of property, plant and equipment have been valued as follows :

All the assets were considered at cost with appropriate application of depreciation in accordance with IND AS requirements retrospectively.

(ii) Non Current Investments: Non Current Investments are carried at cost.

(iii) Other Current Financial Assets: As per Indian Accounting Standard (IND AS) 109, on Financial Instruments, "the amortised cost of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured at

initial recognition minus principal repayments, plus or minus the cumulative amortization using the effective interest method of any differences between the initial amount and the maturity amount and, for financial assets, adjusted for any loss allowance.

(iv) Share Capital: IND AS 32 (Financial Instruments: Presentation) requires the issuer of a financial instrument to classify the instrument as a liability or equity on initial recognition, in accordance with substance and the definition of these terms.

The application of this principle requires certain instruments that have the form of equity to be classified as liability.

The Company does not have any such type of things.

(v) Reserves and Surplus: There is no change in reserves and surplus due to transition in IND AS. Prior period items need to be adjusted in the year in which changes take place, as per IND AS. However the same has not taken place during the year.

(vi) Deferred Tax Liability : Deferred tax is provided in full for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

(b) Reconciliation of Profit and Loss account
