E-Learning Development and Services

E-learning is a type of learning conducted digitally via electronic media, typically involving the internet.

Benefits of E-Learning for Businesses

Lower Training Costs

With eLearning, you don't have to spend a fortune hosting seminars, renting hotel rooms, and covering travel expenses. You can simply develop an online course and share it with your employees.

Wider Coverage

Distance learning has no barriers. You can train hundreds of employees in dozens of offices across the world in a uniform fashion. Employees don't need to spend time attending classroom lectures. All they need is a digital device and Internet access.

Single Knowledge Base

All the learning material is stored in one place, i.e., an LMS. Employees can log in to the LMS at a convenient time from any device, find the course they need, and refresh their memory.

Faster Employee Development

Traditional training can be rather slow because it depends on the business trainers' working hours. An LMS is available anytime, making it possible for your employees to study whenever they feel like: when commuting, during their lunch break, or at home.

Business Adaptability

eLearning helps employees keep up with the company's rhythm and solve problems in real time. Need to introduce a new product to the sales team? Create a course and deliver it instantly to thousands of employees.

e-Learning continues to gain ground in the corporate sector. Businesses implement it to develop their staff, streamline their processes, and extend their reach.

Marketplace aggregation of B2B goods and services

In the business-to-business model, businesses and organizations exchange goods and services. For example, one company may contract with another business to provide the raw materials needed to manufacture a product.

Key Elements of Business-to-Business (B2B) Marketing

1. Business buying is a complicated process
2. Rational buying
3. Complexity of products
4. Less number of buyers and probably more sellers
5. Fewer segmentation and needs
- 6 Building personal relationships
- 7 Long-term buying
- 8 Business-to-business (B2B) marketers need to focus on innovation
- 9 Looks & packaging do not matter
- 10 Branding and sub-branding

B2B (business-to-business), a type of electronic commerce (e-commerce), is the exchange of products, services or information between businesses, rather than between businesses and consumers (B2C). A B2B transaction is conducted between two companies, such as wholesalers and online retailers.

Retail E-commerce Aggregation of Unorganised Retail

E-commerce is a Strategic lever that helps you to speed up your sales Cycle and Enhance your Customer Experience.

E-commerce is now an expected channel for consumers and businesses, and if it's correctly implemented, it can increase revenue, cut costs and improve efficiency. However, developing your online store is not a simple undertaking. There are many factors to take into account to ensure that your E-commerce portal doesn't just sell, but sells well.

Organic Growth

Optimising your E-commerce product pages for search engine visibility drives leads to your website without costing you a cent. Improve your keyword-optimised page titles, headings, image alt text and web copy.

Analyse and optimise

You can collect much more information about your customers online than you would in a physical store. Your sales and marketing teams can use this valuable data to measure the effectiveness of their strategies and determine the areas of improvement.

Sell quicker

The more information you make available about your products on your E-commerce site, the easier it will be for a lead to makeup their mind and the quicker they will buy. You can also remain top of mind by remarketing to leads who have already visited your website through social platforms.

Create opportunities to upsell

Online shopping makes it easier to upsell to existing customers. You already have their details and can provide them with value after they've checked out by staying in touch with newsletters, special promotions and exclusive subscriber discounts.

Word of mouth

Turn satisfied customers into brand ambassadors by allowing reviews and ratings of your products or services on your E-commerce site. You can also use positive customer feedback on your social channels to attract leads.

We build solutions that are E-commerce-optimised to enhance Efficiency and increase order size and frequency.

Content Management System

A content management system (CMS) is an application that is used to manage content, allowing multiple contributors to create, edit and publish. Content in a CMS is typically stored in a database and displayed in a presentation layer based on a set of templates like a website.

The following are common features of a CMS:

- Content creation, allows users to easily create and format content
- Content storage, stores content in one place, in a consistent fashion
- Workflows, assigns permissions for managing content based on roles such as authors, editors and admins
- Publishing, organizes and pushes content live

Benefits of a content management system

One major advantage of a CMS is its collaborative nature. Multiple users can log on and contribute, schedule or manage content to be published. Because the interface is usually browser-based, a CMS can be accessed from anywhere by any number of users. The second major advantage of a CMS is that it allows non-technical people who don't know programming languages to easily create and manage their own web content. The drag-and-drop editors of a typical content management platform allows users to enter text and upload images without needing to know any HTML or CSS (programming languages). When a company uses a CMS to publish its web pages, it reduces its reliance on front-end developers to make changes to the website, making it quicker and easier to publish new web pages.

Message from the Chairman & CEO

“ ”

Dear Members,

On behalf of the Board, I thank each of our stakeholders for having reposed confidence in the management during the year 2021-22.

During the year, our efforts have yielded results in rebuilding the company after coming out of the challenges faced in the previous year.

As we notice the business environment is fast changing into a digital environment and challenging the practices of the past. Technology is the key driver to bring about the change in trade and other practices and we are doing our best to keep up with the emerging technologies and building our future.

Apart from the traditional IT Services model, your company has embarked on a platform oriented approach and has identified eight(8) platforms on a b2b and b2c model.

We have also thought of a unique identity for the platform model and prefixed “Indus” to build a brand on these lines.

The platforms and their functionality is

- | | |
|---|--|
| (a) Electronic health records repository | : www.indusayush.in |
| (b) Cargo/Logistics services of small fleet operators | : www.induscargo.in |
| (c) Healthcare aggregation of health emergency services | : www.induskare.in |
| (d) Arts & Crafts ecommerce of niche arts and crafts | : www.induscrafts.in |
| (e) E-Learning aggregation of informal learning | : www.indusmaster.in |
| (f) Marketplace aggregation of b2b goods and services | : www.indusnetworkx.in |
| (g) Retail E-commerce Aggregation | : www.indusretail.in |
| (h) Content Management System | : www.indusmatter.in |

We are in the process of building the functionality and the services network and are incurring expenditure to build the environment for going live on the platforms.

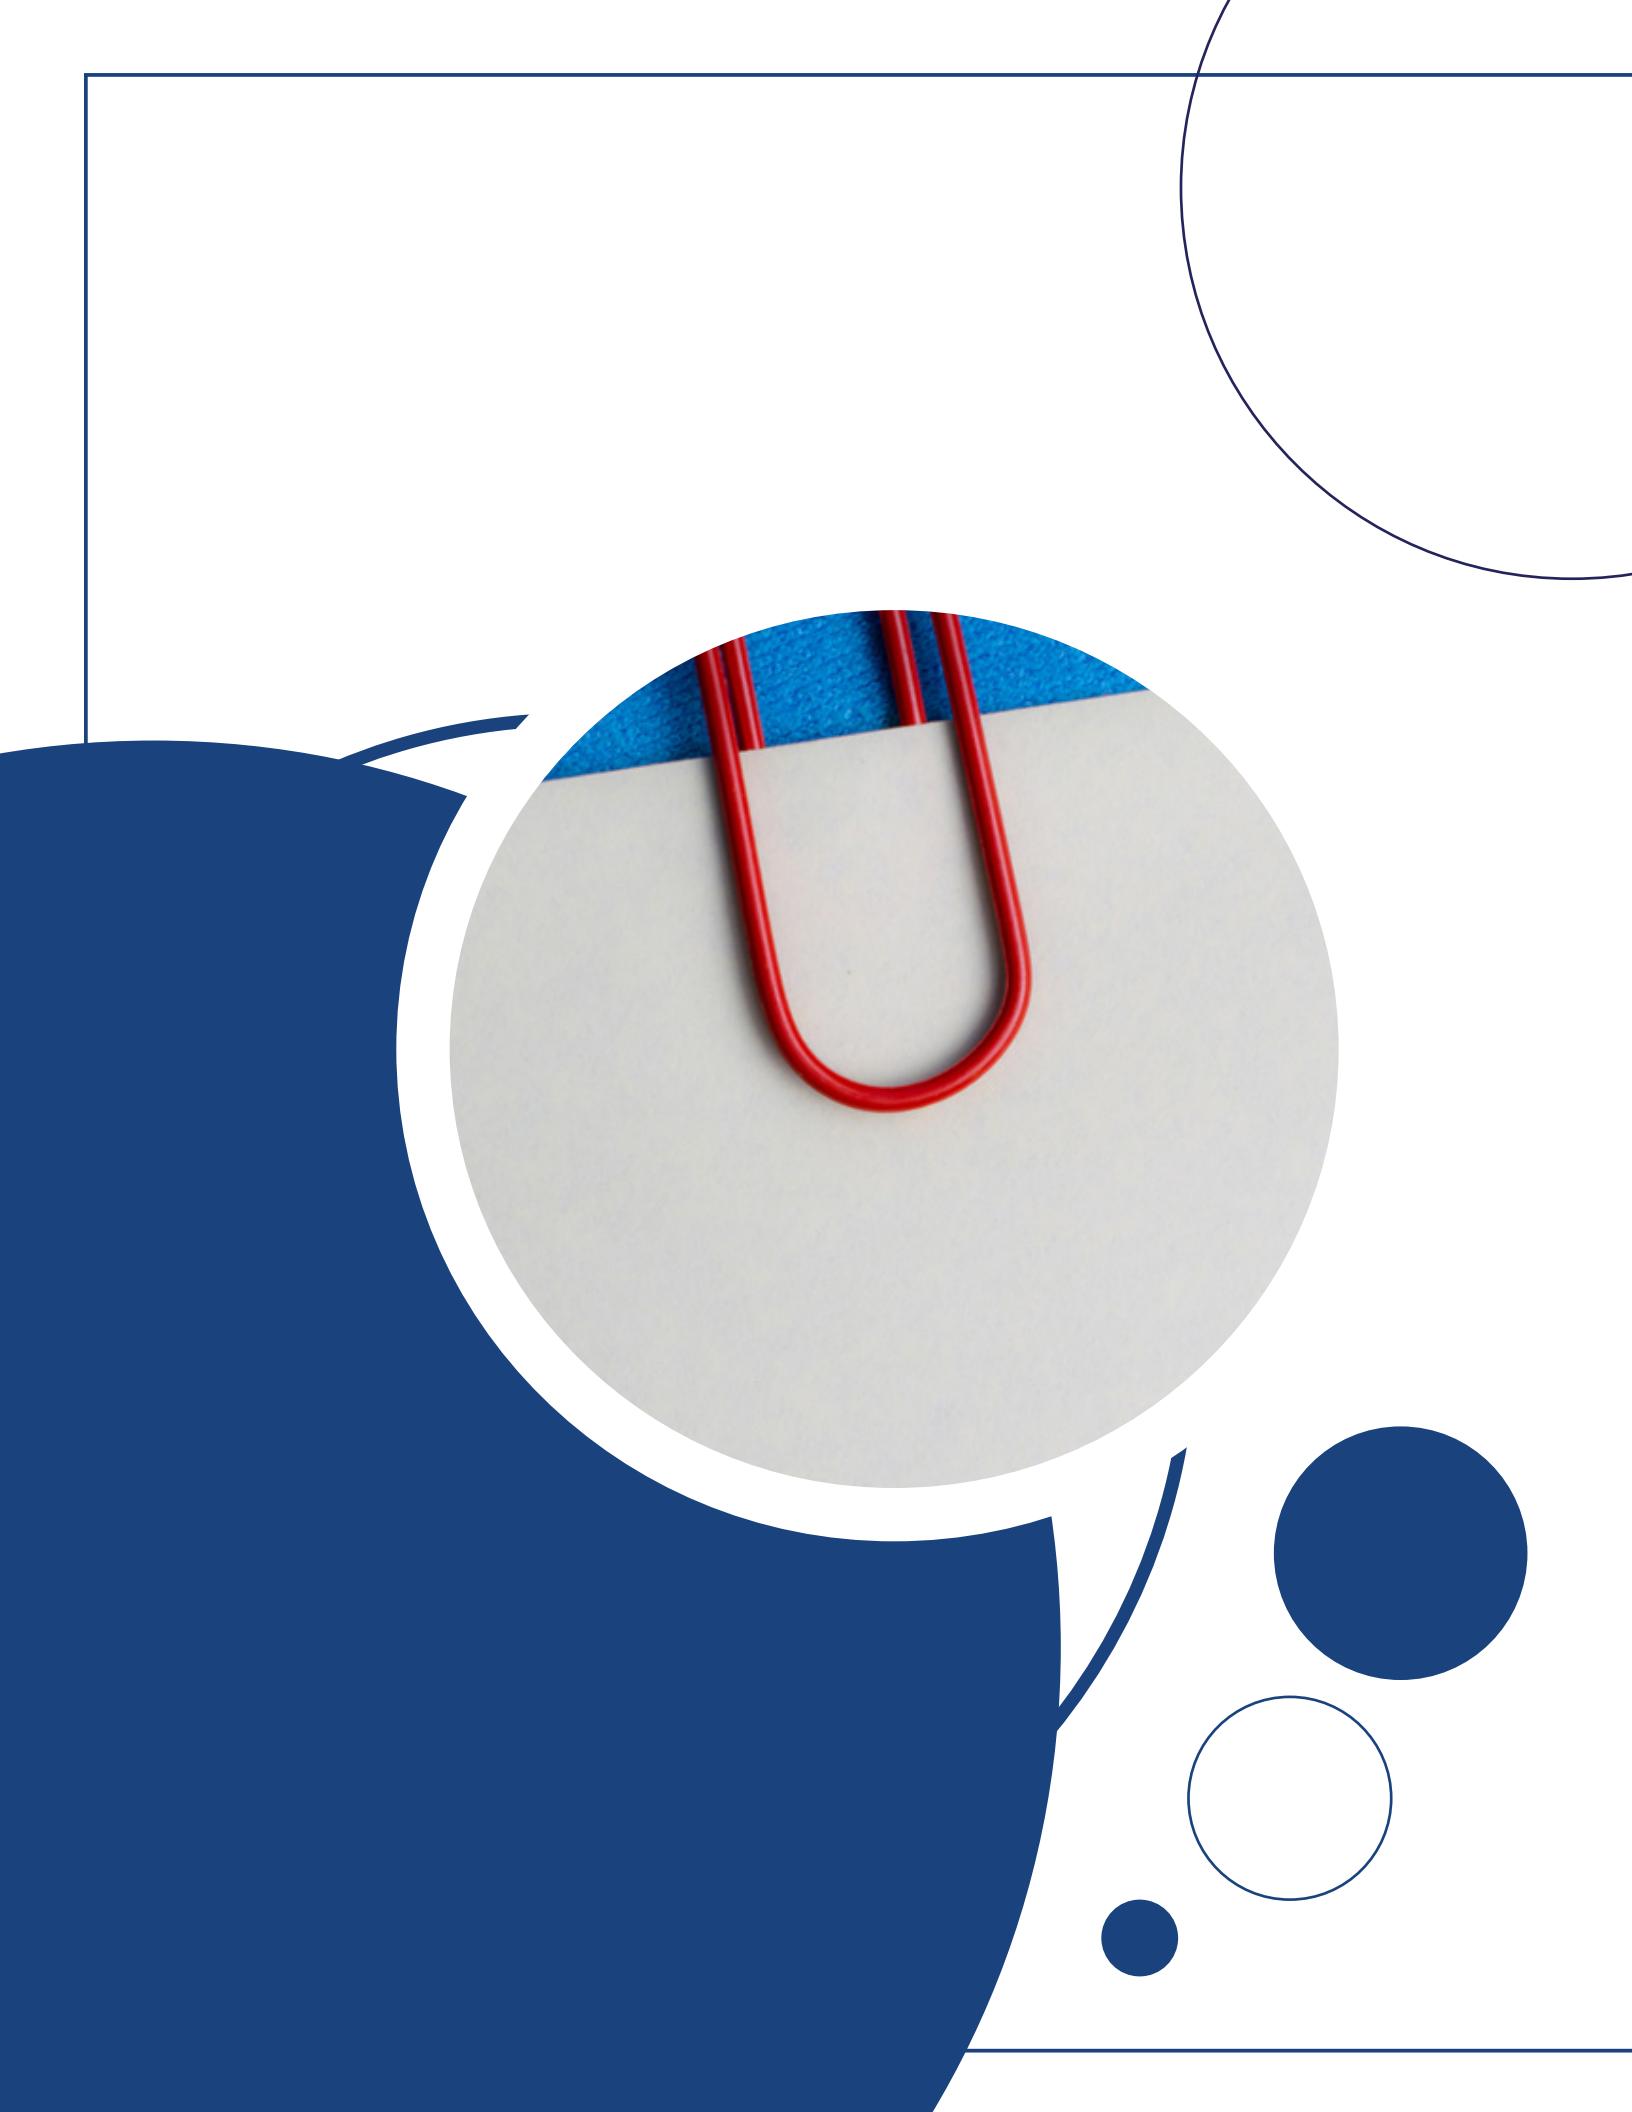

We hope that the economic activity which has slowed down due to geo political conditions will gradually improve and pave the way for our platform businesses to take off.

We will keep the stakeholders posted on developments in the business from time to time.

With best wishes.

P.C.Pantulu

(II) Penalty Levied by Enforcement Directorate for Non-Compliance under FEMA.

During the year the Enforcement Directorate passed orders on 28th December 2021 levying penalty for non-filing of APRs and Write off pertaining to Unrealised Receivables from Overseas Debtors on the company as per details given here under .

The total amount of fines levied on the company is Rs. 111.59 crores.

The Company has preferred an appeal before the Appellate Authority at Delhi.

The company is of the opinion that it has merits in its claims on account of reasons for the delays in repatriation of export proceeds, which were beyond the control of the company, and that the write off of overseas Debtors were strictly in adherence to the Circulars issued by the Reserve Bank of India from time to time. Hence the company is treating the entire penalty as a contingent liability and hence no provision is being made in the books of account.

12. Material changes and commitments, if any affecting the financial position of the company occurred between the end of the financial year to which these Financial Statements relate and the date of the report.

There are no significant events which are effecting the financial position of the company subsequent to the balance sheet date.

13. Particulars of Contracts or Arrangements made with Related Parties.

All Contracts/arrangements/transactions entered by the company during the financial year 2021-22 with related parties were in the ordinary course of business and on an arm's length basis.

In this regard, we draw your attention to Note 32 containing a Statement Pursuant to Clause (h) of sub section 134 of the companies Act 2013, and Rule 8(2) of the Companies (Accounts) Rules, 2014, to the Financial Statements which sets out related party disclosures.

Remuneration Policy

The Remuneration Policy of the Company is designed in a way that attracts talent, motivate in order to retain manpower and to improve productivity by creating a cohesive work force, encouraging initiatives, personal growth and team work, and inculcating a sense of belongingness and nurtures the willingness to involve in the providing the best of their abilities, besides offering appropriate remuneration packages and superannuation benefits. The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders.

The Nomination & Remuneration Committee (NRC) determines individual remuneration packages for Directors, KMPs and senior Officials of the Company taking into account, factors it deems relevant, including but not limited to market, business performance and practices in comparable Companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/other guidelines. NRC consults the Chairman of the Board as it deems appropriate. Remuneration of the Chairman is recommended by NRC to the Board of the Company.

Applicable:

This Remuneration Policy applies to the whole of the Company including directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

Guiding principle:

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent Personnel. While designing remuneration packages, industry practices and cost of living are also taken into consideration.

Statutory requirements:

Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its directors, including managing director and whole-time director, and its manager in respect of any financial year shall not exceed eleven percent of the net profits of the Company.

Section 197(5) of the Companies Act, 2013 provides for remuneration by way of sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.

The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the Company, subject to the provisions of Schedule V of the Companies Act, 2013.

The Company may with the approval of the shareholders authorise the payment of remuneration up to five percent of the net profits of the Company to its anyone Managing Director/Whole Time Director/Manager and ten percent in case of more than one such official.

The Company may pay remuneration to its part-time directors, other than Managing Director and Whole Time Director up to one percent of the net profits of the Company, if there is a managing director or whole-time director or manager and three percent of the net profits in any other case.

The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

Directors:

As per the policy followed by the Company since inception, the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions. Presently, sitting fee is Rs. 2,500/- per Board meeting and per Committee meeting per Independent and Non-Executive Director on Board of the Company.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. At the time of considering the appointment and remuneration of Whole Time Directors, the members of the Nomination & Remuneration Committee (NRC) consider the pay and employment conditions in the industry, merit, seniority of the person and the payment capacity of the Company.

The NRC while designing the remuneration package, considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

The NRC while considering a remuneration package must ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

The NRC considers that a successful Remuneration Policy must ensure that some part of the remuneration package be linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the present applicable sections read with relevant rules of Companies Act, 2013 and as modified from time to time.

The Independent Directors shall not be entitled to any stock option and may receive sitting fees for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

Reward principles and objectives:

The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

Reward policies:

Remuneration packages for Whole Time Directors are designed subject to the limits laid down under the Companies Act, 2013, to remunerate them fairly and responsibly.

The Whole Time Directors' remuneration comprises of salary, perquisites and performance-based commission/ reward apart from retirement benefits like P.F., Superannuation, Gratuity, etc. as per Rules of the Company.

Remuneration also aims to motivate Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long term.

The Whole Time Directors are entitled to customary non-monetary benefits such as company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of appointment provide for severance payments as laid down under relevant sections of the Companies Act, 2013.

Key Managerial Personnel [KMP] Senior Management:

Appointment of KMP & senior management and cessation of their service are subject to the approval of NRC and the Board of Directors. Remuneration of KMP and other senior management Personnel is decided by the Managing Director (MD) on the recommendation of the Whole Time Director concerned, wherever applicable, broadly based on the Remuneration Policy in respect of Whole Time Directors. Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.
2. Perquisites - in the form of house rent allowance/ accommodation, furnishing allowance, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc. as governed by respective acts and rules prevailing in the Company from time to time.
4. Motivation /Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by the Managing Director based on the appraisal and recommendation of the concerned Whole Time Director, wherever applicable.
5. Severance payments - in accordance with terms of employment, and applicable statutory requirements, if any.

Other employees:

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary, they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, wherever applicable.

Policies of motivation / reward / severance payments are applicable to this category of Personnel as in the case of those in the management cadre.

Removal:

The Committee may recommend, to the Board, removal of a Director, KMP or Senior Management Personnel due to following reasons:

- Any disqualification
- Misconduct
- Breach of Contract or trust
- Conflict in interest
- Such recommendation to the Board shall be with reasons recorded in writing.

Disclosure of information:

Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management Personnel may be disclosed in the Company's annual Financial Statements as per statutory requirements.

Application of the Remuneration Policy:

This Remuneration Policy shall continue to guide all future employment of Directors, Senior Management including Key Managerial Personnel and other employees. Any departure from the policy can be undertaken only with the approval of the Board of Directors.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014].

To,
The Members
M/s.Orchasp Limited
(Formerly known as M/s. Cybermate Infotek Limited)
Hyderabad, Telangana State

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Orchasp Limited (CIN: L72200TG1994PLC017485) (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2022 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. Orchasp Limited for the period ended on 31st March, 2022 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made there under.

The committee also needs to ensure that the auditor has an appropriately independent mindset from management and is truly objective. Ultimately, this will enable the audit committee to draw conclusions about the effectiveness of the audit.

The committee establishes procedures for accepting confidential, anonymous concerns relative to financial reporting and internal control matters. Often referred to as a “whistle-blower policy,” the procedures allow individuals to bring questions and issues to light without fear of retribution. It is the audit committee’s responsibility to create an environment that accommodates an open discussion in a culture of integrity, respect and transparency between management and auditors.

The audit committee is responsible for the appointment, compensation and overview of the work of the auditor.

B. Composition:

Audit Committee comprises 3 Directors with relevant experience in Finance and audit, as follows:

(a) BSE Penalties

i. BSE has levied total fines of Rs. 55.69 Lakhs on the company for non compliance with various clauses of SEBI (LODR) Regulations,2015. However, upon representation by the company, the committee of BSE has waived an amount of Rs.50.79 Lakhs and the company paid the balance dues of 4.9 Lakhs along with GST.

ii. Further in the current accounting period the BSE has levied another penalty of Rs. 1.18 lakh on the company for violation of Clause 17(1) & 17(2) for non compliance with regard to constitution of the Nomination and Remuneration committee for the quarter January 2022 to March 2022. The company has now complied with the clause and also made the payment of the fine to BSE.

(b) Penalty Order from Enforcement Directorate.

We refer to Note No 24 to the Financial Statements where in we have made a disclosure on the Penalty order from the Enforcement Directorate for offences pertaining to Foreign Exchange Management Act(FEMA). The company has preferred an appeal before the adjudicating authority on the matter. The company has obtained a professional opinion on the basis of which the board is of the opinion that the company has adequate grounds to get the penalties quashed and that the non-compliance /violations do not attract any coercive action. Hence the company has not made any provision for the penalty and treated the matter as a contingent liability.

C. Disclosure relating to Whistle Blower Policy and Affirmation that no Personnel have been denied access to the Audit Committee:

In terms of requirements of Clause 4 of the SEBI (LODR) Regulations 2015, the Chairman & CEO and Managing Director & (CFO) have made a certification to the board of Directors in the prescribed format, which has been reviewed by the Audit Committee and taken on record by the Board.

Cloud Enablement

As a cloud-first attitude becomes pervasive, and not just popular, companies must ensure that every cloud enablement box is selected. Gartner predicts that more than 95% of all new digital workloads will be deployed on cloud-native platforms by 2025. In addition, 85% of companies will adopt the cloud-first principle within the same timeframe, increasing the integration of cloud-native architectures and technologies. However, their plans to explore new revenue streams, reduce operational costs, and increase agility and scalability will not succeed without leveraging disruptive cloud patterns and benefits to deliver new-age resilient services and systems.

For those that are yet to start their cloud journey, the challenge is less about letting go of legacy infrastructure and processes, and more about making the digital experiences that cloud creates the primary focus.

The ubiquitous nature of the cloud means that companies need to be aware of what needs to be done and when. Simply migrating to the cloud won't solve the business need. Ensuring that the cloud solution is resilient, optimized, automated, and compatible with other cloud environments will be equally important.

Orchasp offers a comprehensive set of cloud-enablement services ranging from strategy, design and testing, to migration, integration, deployment and ongoing support. These services are tailored to address the needs of different organizations, their industry, and their level of cloud maturity.

Cyber Security

The cyber threat landscape is constantly evolving and increasingly complex, and most companies don't have the cyber security tools and capacity in-house to keep security measures up-to-date. Because it's easier than ever for hackers to initiate an attack, organizations now experience increased risk and higher levels of uncertainty. Subsequently, breaches and successful attacks can cost companies millions – not to mention the harm to your brand's reputation.

Our portfolio of cyber security solutions consists of a variety of services designed to meet all of your company's needs. They're also customizable to your specific requirements and provide detailed notifications, reporting, and dashboards. We help you choose the best solution, tailored specifically for the cyber security threats your organization faces.

Data Analytics, AI&ML

Every organization faces the challenge of prioritizing use cases and realizing tangible business value from Data Analytics, AI & ML initiatives.

Orchasp transforms Data Analytics, AI & ML goals into reality with solutions that help across every stage of Data Analytics, AI & ML maturity. Our solutions ensure successful business outcomes from your Data Analytics, AI & ML investments through a framework that helps prioritize use cases, define platform architecture, scale model development, and operationalize models across the enterprise.

We have helped clients across industries accelerate development to operationalization of Data Analytics, AI & ML solutions with our expertise.

Blockchain in Healthcare

The most important thing to understand when it comes to using blockchains in healthcare is the scope of the opportunities. Several inherent advantages of blockchain technology, including its cost-effectiveness, security, and transparency, provide significant benefits when applied to the healthcare sector.

Probably the most important blockchain use case in healthcare is in securing patient data. Currently, most patient data exists in silos that aren't connected to each other. For example, your primary care physician has access to some of your medical data but not to data that specialists such as a cardiologist or an OB-GYN can access and vice versa.

Using blockchain technology could help solve this issue. A blockchain-based application might enable connecting to existing electronic medical record (EMR) systems at different healthcare providers. Anytime new information is put into any of these EMR systems, encrypted data about the information would be put into the blockchain. Other healthcare providers could access this information only when the patient consents, with the entire process managed by the blockchain app.

Internet of Things

Companies around the world are constantly seeking new opportunities for innovation and growth. And businesses have been able to seize exponential growth through the adoption of Internet of Things (IoT) technologies.

Large enterprises have been reaping benefits from IoT solutions (even during a year marred by the global pandemic) as they were early adopters of the technology. It is now time for small and medium businesses to take advantage of IoT.

We specialize in full-stack IoT development for Industry 4.0 & Enterprises and the implementation of embedded technologies for Connected Vehicles. Leveraging our experience in Artificial Intelligence (AI) and Machine Learning (ML), we have developed the infrastructure for Predictive Maintenance in industries and intuitive Driver Monitoring Apps.

Business Process Services

We partner with enterprises, fuelling their growth by our focus on delivering exceptional business process services. We bring together the best in people, process and technology with an extreme focus on delivering value and best in class customer experience. Our methodology involves a holistic view from experts across all possible avenues of business process transformation. This involves bringing forth our operational expertise, domain knowledge and business process automation by harnessing Robotic Process Automation (RPA), Machine Learning (ML) and Artificial Intelligence (AI).

1. Digitisation and integration of vertical and horizontal value chains.
2. Digitisation of product and service offerings.
3. Digital business models and customer access.

Client Acquisition

The Company has put in place a strong sales team in India and US and our sales pipeline has been consistently improving. We believe that we will be able to improve on our strong track record and have long term relationships with our domestic and international customers.

Our sales team is in place across major cities in India and we have sales presence in UAE & USA as well. The twin engines for growth in this business will come from both domes-

tic and international customers. We are also focussing on providing more end-to-end services to existing customers.

Quality

The Company has a robust Quality Management and Information Security Management system in place to identify potential risks, areas for improvement and further to have smooth business operations. Periodic Management Review meetings are conducted to review these.

Attrition

While attrition is an industry wide concern, the Company recognises the need to take proactive measures to ensure that we have an uninterrupted supply of right talent and have increased focus and rigor on retaining them through active engagement measures.

In order to maintain a seamless pipeline of talent, the Company has tied up with several skill development institutes. This ensures a steady supply of skilled talent with a good language mix, especially for the consulting business.

Our recruitment team conducted virtual campus drives at various colleges across the country for our internal hiring. Employee engagement during a period when most of the employees are working remote is an area that the Company has focused. Multiple virtual Quality Management and Information Security events were conducted on occasions to bring together the employees on a virtual platform. We also moved our entire training online and integrated with our HRM.

This helped ensure employees did not miss key training

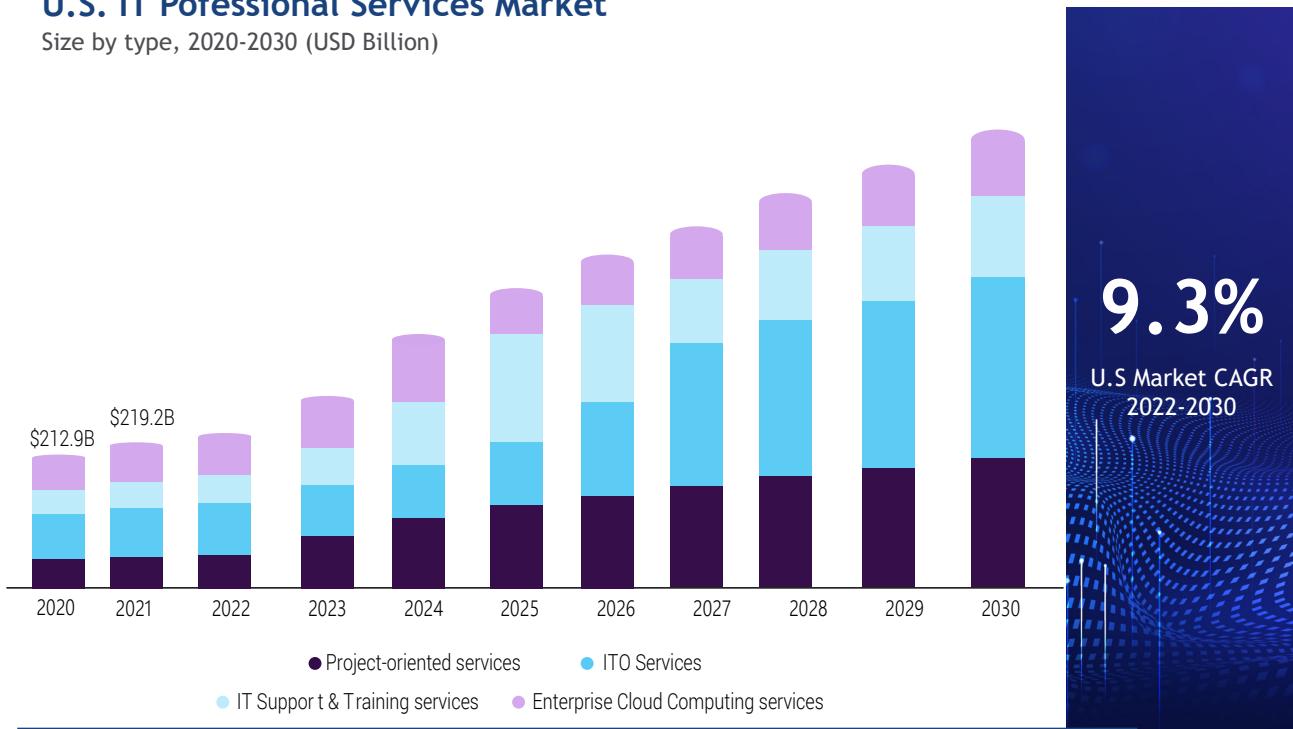

events that would help them develop in their career.

Global IT Services Market Size

The global IT professional services market size was valued at USD 777.28 billion in 2021 and is expected to register a compound annual growth rate (CAGR) of 11.2% from 2022 to 2030. The rise of automation to eliminate mundane tasks and radical shifts in customer demand such as customized pricing and enhanced customer experience are pushing enterprises to implement IT services across the globe. Additionally, the COVID-19 pandemic tested the professional services industry by forcing them to implement remote working at a large scale and adjust their business strategies to the rapidly changing market conditions. Additionally, the COVID-19 outbreak also accelerated several technological changes across industries, where firms survived the pandemic with the help of technology by focusing on resource management and talent acquisition.

U.S. IT Professional Services Market

Size by type, 2020-2030 (USD Billion)

In the current scenario, firms are preparing for possible challenges ahead, they are redesigning their business models to make sure they have the required skillsets, funds, and tools to gain an advantage in the long run. IT professional services help organizations in identifying the areas for cost-saving and offer multiple other benefits, such as Business Intelligence (BI), accurate forecasting, improved business operations, and reduced wastage of resources. Several firms are expected to utilize IT professional services to streamline their business post-pandemic further boosting the business growth.

Professional service firms can offer a combination of services such as consultation, audit & accounting, implementation support, and immunity from financial risk. They offer analytic capabilities and a basis for managing business information. In today's competitive market it is hard to survive with silos of data & legacy tools, so organizations depend on IT professional services to use advanced tools. These tools facilitate sharing of resources, automate the delivery process and provide accurate insights, which will further drive the industry growth.

Implementation of IT professional services can be found in various private and public sectors; some businesses may use professional services as the primary line of business, whereas for some businesses, it works as a value driver to the core offering. As businesses grow, firms need more robust tools to work efficiently, in such cases it is extremely helpful to deploy professional services as it oversees projects, track time and bill, manage resources and automate mundane back-end tasks. IT professional services utilize several advanced technologies such as Robotic Process Automation (RPA), Artificial Intelligence (AI), Machine Learning (ML), Internet of Things (IoT), chatbots, blockchain, and big data analytics to create new business models and consequently map their business strategies to enhance their returns.

Increased competition and digitalization is pushing organizations to engage with professional service providers. These service providers primarily focus on helping organizations to improve their operational efficiency by addressing issues related to poor service infrastructure and improper staffing. The IT professional service providers offer a streamlined and standardized approach to the organization's administrative processes which help in the digital transformation of the organization's operations. Based on the strategy, firms can categorize the usage of professional services into two sections. First, business-centric which offers value-driven revenue models, and second, employee-centric that can be utilized for the recruitment of hybrid talent and fill the skill gap.

Type Insights

The project-oriented services segment dominated the IT professional services market in 2021 and accounted for a revenue share of over 35%. These services are related to installation, modernization, timely maintenance, and decommissioning of a project. These services are often custom-built to meet the specific client needs, assisting them to optimize operational efficiency and deliver projects on time within the allocated budget. Organizations can be benefitted in multiple ways as project-oriented services help in resource management, scope management, revenue management, preparing improved quotations, and effective delivery of the project. These are the major factors fuelling the demand for the segment.

Information Technology Outsourcing (ITO) service segment is expected to witness the fastest CAGR of 12.0% during the forecast period due to its ability to help organizations across various industries to respond to changing business needs allowing organizations to focus on innovation instead of IT infrastructure. Organizations utilize ITO services to gain access to deep technical expertise, deliver automation, and bring down costs by choosing an appropriate delivery model. Additionally, ITO services offer a deep pool of resources to create an effective Return on Investment (ROI), and it bridges the gap between legacy IT systems and innovation. High-performance computing, adherence to compliance, security, and scalability are a few advantages that are expected to boost the growth of this segment.

Risks and Concerns

The business risks involved in our industry are varied. The International business is affected by the global slowdown and the COVID-19 Pandemic. Towards end of the year, the market in US showed signs of returning to normalcy and we believe that this area will grow in the current year.

The Domestic business was severely impacted due to the pandemic while the Company was able to rebound from this, the fourth wave of the pandemic may hit us as hard as the first and this is an area that the Company is closely monitoring.

Financial Risks

We have a global footprint and the revenues in the international segment are dependent on clients located predominantly in US. Our international business also has been increasing the last year. As a strategy we continue to focus on increasing the share of our export revenues as the margins are better compared to Domestic business. As a result, the Company is exposed to various risks typically associated with doing business in various countries, many of which are beyond the control of the management.

Pressure on Margins

Our margins can be impacted due to pressure on pricing owing to competition. The Company engages customers regularly briefing them on the value-added support being provided. Since our processes, especially in the consulting segment are heavily dependent on manpower our margins may be impacted if there are increases in salaries or account of revision in minimum wages in any of our locations.

Exchange Fluctuations

Movements in exchange rates continue to be a major threat. There has been volatility in the exchange rate between INR and USD in the recent Years and these currencies may continue to fluctuate significantly in future as well. During the year there have been significant volatility in the rupee with a low of INR 72.26 and a high of INR 76.40.

Our results of operation will be affected if the rupee-dollar rates continue to behave in a volatile manner in future or rupee appreciates significantly against dollar and other currencies.

Exchange Fluctuations

Movements in exchange rates continue to be a major threat. There has been volatility in the exchange rate between INR and USD in the recent Years and these currencies may continue to fluctuate significantly in future as well. During the year there have been significant volatility in the rupee with a low of INR 72.26 and a high of INR 76.40.

Our results of operation will be affected if the rupee-dollar rates continue to behave in a volatile manner in future or rupee appreciates significantly against dollar and other currencies.

- Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers"
- The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involve collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

Auditor's Response:

Principal Audit Procedures

We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard.

Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- » Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.
- » Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and

inspection of evidence in respect of operation of these controls.

- » Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.
- » Selected a sample of continuing and new contracts and performed the following procedures:
 - Read, analyzed and identified the distinct performance obligations in these contracts.
 - Compared these performance obligations with that identified and recorded by the Company.
 - Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
 - Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes.
 - Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
 - In respect of samples relating to fixed-price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management controls relating to these systems.
 - Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
 - Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
 - We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date
- » Evaluation of uncertain tax positions

The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.

Auditor's Response:

Principal Audit Procedures

Obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain Tax Positions as at April 1st 2022 to evaluate whether any change was required to management's position on these uncertainties.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the

Annexure - "B" To The Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Orchasp Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. Orchasp Limited("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be de-

tected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: Significant Accounting Policies

1. Corporate information

Orchasp limited is public limited company incorporated in India with its registered and corporate office at 19 & 20, Moti valley, Trimulgherry, Secunderabad, India. The company is listed on the BSE limited. The company is engaged in providing IT services, solutions, platforms and has been providing services to health care, telecom, manufacturing, engineering, energy and retail sectors. The Company changes its name from Cybermate Infotek Limited to Orchasp Limited with effect from 24-05-2021.

The financial statements for the year ended 31st March 2022 were approved by the board of directors on the 30th May 2022.

a. Basis Of Preparation Of Financial Statements:

Compliance with Ind AS

The Company has adopted Indian accounting standards (the "Ind AS") notified under Section-133 of the Companies Act, 2013 (the "Act"), read with rule 3 of the Companies (Indian accounting standards) rules, 2015 as amended from time to time and other relevant provisions of the Act as applicable. The standalone Financial Statements provide comparative information in respect of previous year.

i. Historical Cost Convention

These financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial assets and liabilities (including derivative instruments) which are measured at fair value.

ii. Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current - noncurrent classification of assets and liabilities.

iii. Functional and Presentation Currency :

The Financial Statements are presented in Indian Rupees (*) which is the company's functional and presentation currency, and all amounts are rounded to the nearest rupee except as otherwise stated.

2. Summary of Significant Accounting Policies

a. Property, Plant & Equipment:

i. Recognition and measurement

Property, plant & equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to property, plant & equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit & loss when the asset is discarded/sold.

ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

b. Intangible assets:

i. Recognition and measurement

Intangible assets acquired separately are measured on initial recognition at cost.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measured reliably.

ii. Depreciation

The company amortises/depreciates intangible assets on the basis of estimated useful lives of intangible assets are as follows:

Software acquired

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

c. Impairment:

The carrying amount of property, plant & equipment, intangible assets and investment property are reviewed at each balance sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value . An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

d. Foreign Currency Transactions:

i. Functional and Presentation Currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (“Functional Currency”). The Financial Statements are presented in Indian rupee (INR), which is the company’s Functional and Presentation Currency.

ii. Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit & loss and reported with in foreign exchange gain/ (losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of subsidiaries, joint ventures and associates) carried at fair value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the fair value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Revenue Recognition:

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates, discounts and value added taxes.

The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company’s activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

ii. Fixed- Price Contracts:

Revenues from fixed-price contracts, including IT infrastructure development and integration contracts are recognized using the “percentage of-completion” method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as ‘Advance from Customers’.

iii. Services Contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of

completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

iv. Sale of Licenses & Subscriptions

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from sale of subscriptions shall be recognized linear to the period of the contract.

v. Ecommerce/Retail

Revenue from Ecommerce transactions i.e sale of third-party products/applications/services shall be recognized on realization of the merchandise.

vi. Other Income

Profit on sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividend is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

f. Income Tax:

Income tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the income tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The Company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carry-

ing amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of profit & loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period.

g. Provisions, Contingent Liabilities, Commitments And Contingent Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

h. Earnings Per Share:

Basic earnings per share is computed using the net profit/ (loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

i. Segment Reporting:

In accordance with the requirement of AS-108 on segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments.

Thus, the segment revenue , segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets , the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st march 2020.

There are no secondary reportable segments (Geographical Segments).

j. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Initial recognition:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or release of Financial assets and financial liabilities respectively, which are not at fair value through profit or loss are added to the fair value of underlying financial assets and liabilities on initial recognition. Trade receivables and trade payables that do not contain a significant financing component are initially measured at their transaction price.

ii. Measurement:

Non-derivative financial instruments - Financial assets carried at amortised cost.

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) to present the subsequent changes in fair value through profit and loss account.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its

investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures and Associates) at fair value through profit and loss account.

iii. Impairment of Financial Assets :

The Company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with Ind AS 109.

iv. Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at Fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss

k. Investment in Subsidiaries, Associates And Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the Standalone Financial Statements

I. Earnings Per Share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

m. Employee Benefits

Contributions to Provident and Employee State Insurance etc accruing during the accounting period are charged to the statement of profit and loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting - Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the financial statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future Years and if material, their effects are disclosed in the notes to the financial statements. Actual results could vary from these estimates.

The Company has given due consideration of the possible effects that may result from the pandemic related to Covid-19 on the carrying amount of receivables and unbilled revenues.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets and liabilities are likely to be impacted by events which give rise to revision of estimates made.

i. Revenue

The Company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

ii. Provisions/Expenses

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

iii. Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

iv. Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

v. Income Taxes

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

vi. Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

In addition to the above the uncertainty due to Covid-19 pandemic , the company continues to revisit the parameters for the estimates made in computing the income , expenses , assets and liabilities.

Consolidated Financial Statements

Independent Auditor's Report

To the Members of

M/s Orchasp Limited

Report on the audit of Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of M/s.Orchasp limited (previously known as Cybermate Infotek Limited) (hereinafter referred to as Holding Company) which includes its two foreign subsidiaries (the holding company and its Subsidiaries together referred to as "The Group") which comprise the consolidated balance sheet as at March 31, 2022, and the Consolidated Ind AS statement of Profit and loss (including other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the act read with the companies(Indian Accounting Standards) rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of membership of the group as at March 31, 2022 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the standards on auditing ("SA's) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the group in accordance with the code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the act and the rules made thereunder, and we have fulfilled our other

Ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Emphasis of Matter

- The company has changed its name from m/s Cybermate Infotek Limited to m/s orchasp limited and got approval from the shareholders in the EGM conducted on 06/05/2021.
- The trade receivables and trade payables confirmation have not been obtained at the time of our audit.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

- **Issue of Foreign Currency Convertible Bonds (FCCB)**

The company has issued FCCB of US\$ 1,05,00,000 (Rs.68,25,00,000/-), 1% Coupon foreign currency convertible bonds due upon completion of five Years from the date of issue .Interest is payable at the time of maturity only. Auditor's Response:

Principal Audit Procedures

The recognition of FCCB in Books of Accounts as per "Ind AS 109- Financial instruments" and "Ind AS 32- financial instruments". Presentation involves professional judgment relating to determination of repayment and convertible obligations over the tenure of FCCB's. The FCCB's converted into equity as on 31-03-2022 is for an amount of Rs. 3,25,00,000/-

Refer Note No.34 In notes to Consolidated Ind AS Financial Statements.

Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of ind as 115 "revenue from contracts with customers"

The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involve collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

Auditor's Response:

Principal Audit Procedures

We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard.

Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- » Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.
- » Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- » Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.
- » Selected a sample of continuing and new contracts and performed the following procedures:
 - Read, analyzed and identified the distinct performance obligations in these contracts.
 - Compared these performance obligations with that identified and recorded by the company.
 - Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
 - Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes.
 - Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
 - In respect of samples relating to fixed-price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management

controls relating to these systems.

- Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
- Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
- We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date

• Evaluation of Uncertain Tax Positions

The Holding Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.

Auditor's Response:

Principal Audit Procedures

Obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1st 2022 to evaluate whether any change was required to management's position on these uncertainties.

Information other than the Financial Statements and Auditor's Report thereon

The holding company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the management discussion and analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS Financial Statements, Standalone Financial Statements and our Auditor's Report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial

Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and Consolidated Statement of changes in equity of the group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the management is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstate-

mentwhen it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they couldreasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticismthroughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, designand perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide abasis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting fromerror, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriatein the circumstances. Under section 143(3)(i) of the act, we are also responsible for expressing our opinion on whether the companyand its subsidiary companies which are companies incorporated in india, has adequate internal financial controls system in place andthe operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosuresmade by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidenceobtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modifyour opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the Consolidated Ind AS Financial Statements.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance of the company and such other entities included in the consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding Independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We didn't audit the Financial Statements and other financial information, in respect of the two foreign subsidiaries, whose Ind AS Financial Statements include total Revenues Rs. Nil and total profit after tax Rs. Nil total comprehensive profit of Rs. Nil for the year ended 31st March 2022, as considered in Financial Statements of the Group. The management of the holding company has prepared the Financial Statements and furnished to us and our conclusion on the statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of management and procedures performed by us as stated above.

Our conclusion on the statement is not modified in respect of the above matter.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the act, based on our audit we report that:

Annexure to Independent Auditors' Report of Even Date on The Consolidated Ind AS Financial Statements Of Orchasp Limited

(Referred to in paragraph 1(f) Under ‘Report on other Legal and Regulatory Requirements’ section of our report to the members of orchasp limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of the Sub-section 3 of the section 143 of the Companies Act, 2013 ('The Act')

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the company as of and for the year ended 31st March 2022, we have audited the internal financial controls over financial reporting of M/s. Orchasp limited((previously known as M/s Cybermate Infotek Ltd ‘the Holding Company’) as of March 31 2022 in conjunction with our audit of consolidated Ind AS Financial statements of the company for the year ended on the date in respect of The Holding Company only as the two subsidiaries included in the Group are incorporated outside India.

Management's Responsibility for internal Financial Controls

The Boards of Directors of the company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we company with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company

Meaning of internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the holding company, has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of Internal Financial Controls over financial reporting issued by the institute of Chartered Accountants of India.

2. Summary of Significant Accounting Policies

a. Property, Plant & Equipment:

i. Recognition and Measurement

Property, plant & equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to property, plant & equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit & loss as incurred.

Gains or losses arising from discard/sale of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit & loss when the asset is discarded/sold.

ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

b. Intangible Assets:

i. Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measured reliably.

ii. Depreciation

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Software acquired

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

c. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.\

d. Foreign Currency Transactions:

i. Functional and Presentation Currency:

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The Financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

ii. Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit & loss and reported with in foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of subsidiaries, joint ventures and associates) carried at fair value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the fair value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Revenue Recognition:

The company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates, discounts and value added taxes.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

ii. Fixed- Price Contracts:

Revenues from fixed-price contracts, including IT infrastructure development and integration contracts are recognized using the "percentage of completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between

input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers.'

iii. Services Contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

iv. Sale of Licenses & Subscriptions

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

v. Ecommerce/Retail

Revenue from Ecommerce transactions i.e sale of third-party products/applications/services shall be recognized on realization of the merchandise.

vi. Other Income

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividend is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

f. Income Tax

Income tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the income tax act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of profit & loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum alternate tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period.

g. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the prob-

ability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

h. Earnings Per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

i. Segment Reporting:

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue , segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets , the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st March 2020.

There are no secondary reportable segments (Geographical Segments).

J. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Initial Recognition:

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or release of financial assets and financial liabilities respectively, which are not at fair value through profit or loss are added to the fair value of underlying financial assets and liabilities on initial recognition. Trade receivables and trade payables that do not contain a significant financing component are initially measured at their transaction price.

ii. Measurement:

Non-derivative financial instruments - Financial assets carried at amortised cost.

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The company has made an election for its investments which are classified as equity instruments (other than investment in shares of subsidiaries, joint ventures and associates) to present the subsequent changes in fair value through profit and loss account.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of subsidiaries, joint ventures and associates) at fair value through profit and loss account.

iii. Impairment of Financial Assets :

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

iv. Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

k. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone Financial Statements.

l. Earnings Per Share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average

shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

m. Employee Benefits:

Contributions to Provident and Employee State Insurance etc accruing during the accounting period are charged to the statement of profit and loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting - Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future Years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

The company has given due consideration of the possible effects that may result from the pandemic related to covid-19 on the carrying amount of receivables and unbilled revenues.

Estimates and underlying assumptions are reviewed on an regular basis. The following areas of revenues, expenses, assets and liabilities are likely to be impacted by events which give rise to revision of estimates made

i. Revenue

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

ii. Provisions/Expenses

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

iii. Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

iv. Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

v. Income Taxes

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

vi. Other Estimates:

The company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

In addition to the above the uncertainty due to covid-19 pandemic , the company continues to revisit the parameters for the estimates made in computing the income ,- expenses , assets and liabilities.

24. Penalty Order of Enforcement Directorate for Non-Compliance Under Fema

During the year the Enforcement Directorate passed orders on 28th December 2021 levying penalty for non-filing of APRs and write off pertaining to unrealised receivables from overseas Debtors on the company as per details given here under

The total amount of fines levied on the company is Rs. 111.59 Crores.

The Company has preferred an appeal before the Appellate Authority at Delhi.

The Company is of the opinion that it has merits in its claims on account of reasons for the delays in repatriation of export proceeds, which were beyond the control of the company, and that the write off of overseas Debtors were strictly in adherence to the Circulars issued by the Reserve Bank of India from time to time. Hence the Company is treating the entire penalty as a contingent liability and hence no provision is being made in the books of account.

25. Statutory Dues- Emphasis Of Matter

The auditors report have laid emphasis in respect of

- a. Unpaid statutory dues. The company has is in the process of reconciling the statutory dues and will remit the dues once the final liability is crystallised.
- b. Confirmation of balances of Trade Payables and Trade Receivables the company is in the process of obtaining the confirmation from Vendors and Clients and will furnish the same to the auditors as and when received.

26. Contingent Liabilities:

The following are the contingent liabilities not provided for in respect of matters under dispute as the company is confident that the outcome would be in its favor on the basis of merits.

- a. Income Tax Dues
